WE GOVERN

W - Work Ahead

Work ahead to honor each other's time by reading our materials, keeping our comments brief, and avoiding repeating points that have already been made.

E - Evidence-Based

Evidence-based decisions using objective data and facts rather than personal agendas or neighborhood rumors.

G - Goals & Policies

Goals and policies made at a high level and trust the superintendent to handle the day-to-day operations.

O - Offer Positivity

Offer positivity about our district, staff, and fellow board members when we are out in the community.

V - Vote for Students

Votes and discussions with student success and well-being at the heart of every conversation.

E - Effort to Stand Together

Effort to stand behind the board's final decision in public, regardless of how we individually voted in the meeting.

R - Respectful Listening

Respectfully listen to one another with genuine curiosity, especially when we have different points of view and not make disagreements personal.

N - Never Share Sensitive Information

Never share sensitive details about staff, students, or legal matters with anyone outside of our closed sessions.
