The school system has identified four potential make-up days in the calendar. These dates are:
November 23, November 24, February 16, *and* ***March 26***

- *These days could be used if the school system has to close due to weather or emergency events.*
- *The days will not be used automatically. After an event, the superintendent will decide whether or not to activate one or more of the make-up days.*
