26-27 Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds
DPIA funds will be used to offset costs related to: a special education coordinator who will oversee academic interventions for students in grades 6-12, a school psychologist, the SRO, a family liaison, as well as a literacy coach and possibly ELA curriculum to help support reading improvement and intervention resources.

Student Wellness dollars will be used to offset costs related to: Guidance Counselors, Crossroads student supports, and nursing staff.

Partners in this planning process have been Crossroads: a Community mental health prevention and treatment provider and the ESC of the Western Reserve.

25-26 Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds
DPIA funds will be used to offset costs related to: a special education coordinator who will oversee academic interventions for students in grades 6-12, a school psychologist, the SRO, a family liaison, as well as a literacy coach and ELA curriculum to help support reading improvement and intervention resources.

Student Wellness dollars will be used to offset costs related to: Guidance Counselors, a school psychologist, nursing staff, as well as family and community early literacy supports.

Partners in this planning process have been the Board of Alcohol, Drug Addiction, and Mental Health Services and the ESC of the Western Reserve.

Student Wellness and Success

Districts and schools must develop a plan to utilize Student Wellness and Success Funds in coordination with **two** community partners. One partner is required to be either a community mental health prevention or treatment provider or a local board of alcohol, drug addiction and mental health services board **and** the second partner can be one of the other community partners identified below.

List of community partners

Educational Service Centers;

County Board of Developmental Disabilities;

Community mental health prevention or treatment provider;

Board of health of a city or general health district;

County Department of Job and Family Services;

Any nonprofit organization with experience in serving children; or

Public hospital agency.

24-25 Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds
DPIA funds will be used to offset costs related to: the SRO, a 10 day contract for the Family and Community Liaison, Literacy Coach salary and benefits, as well as support up to $50,000 for the necessary ELA CORE Curriculum adoption.

Student Wellness dollars will be used to offset costs related to the K-5 Guidance Counselor salary and benefits, Psychology services**,** the District's Mental Health and Wellness Screener, as well as costs associated with all Nursing staff.

Partners in this planning process have been district personnel, ESC of the Western Reserve

---

23-24 Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds

DPIA Funds were used to offset costs associated with the District's portion of the SRO's salary and benefits, the literacy coach's salary and benefits, as well as the sub-contracting costs associated with the homeless liaison position.

Student Wellness dollars were used to offset costs associated with Crossroads' services, University Hospital's contract for athletics, as well as the salary and benefits for the McKinley Elementary Guidance counselor's position.

Student Wellness and Success Fund *updates for FY24 and FY25 include requirements for districts and schools to: spend at least 50% of funds on physical or mental health services;* ***develop a comprehensive plan for using funds in collaboration with both a community mental health prevention or treatment provider or local alcohol, drug addiction, and mental health services (ADAMHS) board and another community partner from the current list of partners; share the plan with governing body and post to website within 30 days*** *after development or amendment of the plan; report annually on how the district or school spent funds; spend funds by the end of the next fiscal year after they were received; and funds received from FY20 to FY24 must be spent by June 30, 2025, or be repaid to the Department.*
