**HSA Meeting
Agenda**

June 8, 2026

1. Opening Prayer: Dr. Kilty
2. Treasurer Report: No official reports for the month. Still waiting on outstanding deposits and expenses to be completed. Need to revamp the reimbursement process as it takes too long to get the check. Dr. Kilty informed the group that Lisa does the checks as a favor to HSA, that the HSA can come and prepare everything themselves, vs waiting for Lisa to have time.
3. Carnival Raffle Recap: Raffle was an overwhelming success. People were continuing to buy tickets up until drawing time on Saturday. Voted to keep it the same next year. We will buy tickets earlier, now that the prize structure is set. They will be a different color again, and we need to include the permit number on the ticket
 - Winner selected and paid: Winner was a MSS family and was very excited to win a year's tuition.
4. End of year Donation: We feel comfortable with donating \$45,000 back to MSS. This is broken down to \$20,000 for the sound system, \$12,000 for the teachers and \$13,000 to have a buffer for the sound system cost with the remainder going to furniture for the Music Room in the Sister's House building
 - Upgraded Sound System in the Gym
 - i. Grant Help: This has been investigated and the project does not meet criteria for many grants.
 - ii. Company Research: There have been 2 different estimates, a third is coming. Will make the final decision after the quote is received.
5. General Information
 - Dates selected for next years events: Table Below
 - What events need new leads: Leads currently set for the events
6. Round table:
 - Elections: Leslie expressed interest in the Vice President position that is currently held by Devynn. Devynn would like to continue as VP. Leslie stepped back and will continue as Secretary. There was discussion about getting access to the bylaws for the HSA to ensure we are in alignment with the rules that govern the association. Dr. Kilty to get them from Lisa.
 - Spiritwear: The new spiritwear at Carnival was a huge success. We have several preorders for items. Leslie presented some mock ups of logos including Bailey, the bear mascot chosen by the students. The group narrowed down to a few. Carrie Phelps took the chosen designs and is getting them edited by her work team and will return the designs for an email vote over the summer to ensure we have new items in the fall. Looking to also purchase the total bags we were trying to get for Carnival to give one to each family when they check in at the school.
7. Closing Remarks - Thank you
