

SUMMER 2026

Assignments

OVERVIEW

At Marion P. Thomas Charter School, we believe learning extends beyond the classroom. Summer learning assignments help students maintain academic momentum, reinforce essential skills, and prepare for a successful start to the new school year.

We recognize that our students enter from a variety of schools and academic backgrounds. To ensure all students are prepared for success, summer assignments are designed to review prerequisite skills, strengthen foundational knowledge, and support a smooth transition into the upcoming grade level and coursework.

STUDENT EXPECTATIONS

Students are expected to:

- Complete all assigned summer work.
- Follow all assignment directions carefully.
- Submit assignments by August 31, 2026.
- Demonstrate their best effort and academic integrity (use of AI is NOT PERMITTED)

ACCOUNTABILITY

Summer assignments will be reviewed during the first weeks of school and may be used to assess student readiness, identify areas requiring additional support, and will count as Assessment grade(s) Quarter 1.

Students who have not completed the packet by the first day of school will be required to attend Saturday Remediation to finalize their work and ensure they are on track for the school year.

Thank you for your partnership and support. We encourage all students to use the summer as an opportunity to read, learn, explore, and grow. We look forward to welcoming everyone back for another successful school year at Marion P. Thomas Charter School.

Have a safe, enjoyable, and productive summer!

English Language Arts - Ms. Patino-Nogueras (tnogueras-patino@mptcs.org)

Mathematics - Ms. MacIntosh (tmacintosh@mptcs.org) & Ms. Khan (skhan@mptcs.org)

Science - Ms. McLain (mmclain@mptcs.org)

Social Studies - Mr. Valcourt (mvalcourt@mptcs.org)

Interim Principal - Ms. Wolfe (cwolfe@mptcs.org)
