4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.

1. Conducting a student survey during our back to school fair in August 2026 to gather student interest in participating in either an extracurricular sport/club/activity during the school year.
2. Conducting a parent survey during our back to school fair in August 2026 to gather parent input about their student participating in either an extracurricular sport/club/activity during the school year.
3. Utilizing a club fair at the beginning of the school year to educate students on clubs/activities available at the school.
4. Utilizing INVEST ED funds and/or grants through the Northshore Schools Foundation to help offset the costs associated with extracurricular sports/clubs/activities.
5. Advertising of extracurricular clubs/activities during back to school fair; parent open house; other parent nights during the school year.
6. Using social media & school bulletins; school websites to promote participation in clubs/activities/sports
