LONGFELLOW MAGNET SCHOOL

A Spanish Dual Language and Cross Cultural Awareness School

This year we will continue to align our priorities of our Magnet Theme of Spanish Language and Cross Culture Awareness, Community School priorities of family support and student enrichment, and our school plan priorities student achievement and engagement.

Transportation updates will be sent to all families who registered to take the bus to and from Longfellow to Allendale during the summer. Please remember to check your email.

We are excited to welcome all our new and returning Longfellow families to Allendale for the school year. We realize being on a different campus may cause some anxiety, but we plan on creating the same warm and welcoming environment as we have on our regular campus. Please reach out with any questions or concerns. We want to make sure all students and families feel safe and included.

Have a great summer and remember to take advantage of all the community resources including the well air-conditioned libraries where students can participate in the summer reading program!

Sincerely,

Erica Ingber
