

June 17, 2026

Dear parent/guardian and student,

We are excited for you as you start your senior year. The Counseling staff is here to serve you and is available in the Counseling Office daily for counseling with individuals or groups beginning July 27th. As always, we will assist with your academic, social-emotional, and college/career needs.

This year will go by very quickly. The Counseling staff will assist you with your post-high school plans starting in late August. Senior year brings many responsibilities and deadlines. It is important that you keep in close contact with your counselor this year in order to help you with this process. Enclosed is “The Senior Checklist” which highlights your responsibilities to help you meet your goals. Pay special attention to daily announcements, school emails, and communications for applications and deadlines. Also, information is available regarding scholarships on the Counseling website at www.lphs.net/academics/student-support/counseling. Students are further encouraged to sign up for “College 101” help sessions throughout the school year for post-grad assistance.

Counselors will be working on schedules from July 27th through registration. Please refrain from contacting your counselor until your designated registration day. You may contact your counselor via email or during your registration day should you need further assistance. (See the counseling assignments below). The first day of school is scheduled for Tuesday, August 11th. We hope you are enjoying your summer and look forward to seeing you soon.

Sincerely,

The Counseling Staff

Mrs. Emily Carney
Mrs. Andrea Eichelkraut
Mrs. Kaylee Haun
Mr. Brandon Placher
Mr. David Spudic
