

June 17, 2026

Dear parent/guardian and student,

We are excited for you as you start your junior year. The Counseling staff is here to serve you and is available in the Counseling Office daily for counseling with individuals or groups beginning July 27th. As always, we will assist with your academic, social-emotional, and college/career needs.

Junior year is very important and busy. You need to prepare for your post-secondary plans. Some plans include: college, technical schools, apprenticeships, military, and jobs. Look over the enclosed checklist to make sure you take the necessary steps to ensure a successful transition after high school. You will probably want to keep in close contact with your counselor to inform them of your plans. Your counselor can be very helpful in assisting you with your needs. You are encouraged to make an appointment to discuss your plans with your counselor throughout the school year. Information regarding college visits and careers is available on www.lphs.net/academics/student-support/counseling. Juniors are allowed 3 excused college visit days if the form is completed with the counselors in advance.

Counselors will be working on schedules from July 27th through registration. Please refrain from contacting your counselor until your registration day via email or in-person should you need assistance. (Please see the counseling assignments below). The first day of school is scheduled for Tuesday, August 11th. We hope you are enjoying your summer and look forward to seeing you soon.

Sincerely,

The Counseling Staff

Mrs. Emily Carney
Mrs. Andrea Eichelkraut
Mrs. Kaylee Haun
