

Durham Elementary School Admissions

Statement

Durham Elementary values the International Baccalaureate Primary Years Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding, and respect. We welcome enrollment from any K-5 student in the Houston Independent School District (HISD).

Admission Requirements:

Admission is based on living in the zoned boundaries of Durham Elementary or submitting a School Choice application if you live outside of the zoned boundaries. Students within our boundaries are automatically granted admission to the IB Primary Year Programme. Students living outside the school boundaries will be placed in the School Choice lottery and earn a seat in the IB PYP through the lottery.

Students within the boundaries of Durham Elementary or HISD will pay no tuition to attend.

Additional Documentation:

Durham Elementary requires the students to submit any documents required for enrollment by the state and HISD. These include proof of address, student physical/immunization records (or exemption), and enrollment forms at the time of admission.
