## PROJECT PROGRESS REPORT

*April 2026 Update*

Footing Installation at Carl Traeger Elementary School

Fencing Installation at Franklin Elementary School

## WHAT'S NEW?

Construction on the Phase II referendum projects is officially underway. After nearly a year of design development and planning, spring of 2026 is bringing visible progress across all three elementary sites. Construction has already been active at Carl Traeger Elementary, and fencing was installed at the Franklin Elementary site in late March. Oakwood Elementary will

be the final site to kick off this spring, with fencing and contractor activity expected shortly.

Carl Traeger Elementary remains on track for completion this August, while construction at Franklin and Oakwood Elementary School will continue through August 2027.

## PLANNING & DESIGN UPDATE

The team is excited to share initial exterior renderings of the auditorium addition at Oshkosh North High School! While local ordinances require the new addition to reflect the look and feel of the existing building, Bray Architects and the OASD Core Planning Team have developed a design that maintains a similar material palette while introducing a fresh presence along Smith Avenue. As exterior concepts continue progressing, the team is refining interior layouts and finishes, with interior renderings to be shared in the near future.

At the New Middle School, user group engagement has remained active over the past several months, with a final round scheduled for April. Once the sessions are complete, the OASD Core Planning Team and Bray Architects will host an all-staff meeting for the Perry Tipler and South Park communities to provide a broader project update. In the meantime, design work continues to focus on interior elements such as color and texture, along with further refinement of the exterior.

## NEXT STEPS

- Construction of the additions at Carl Traeger, Franklin, and Oakwood Elementary Schools will all be underway
- Final user group meetings for the New Middle School project

## YOU'RE INVITED!

### Groundbreaking Ceremony and Open House

April 17 | 2:30 p.m.

Oakwood Elementary

May 8 | 2:30 p.m.

Franklin Elementary

### Shapiro Farewell Tours

Wednesday

May 6 | 5 - 7 p.m.

Saturday

May 9 | 10 - 12 p.m.

Preliminary Rendering of Oshkosh North High School Auditorium Addition
