

Dear Glen A. Wilson High School Families,

## This year, *together*, you made it possible.

As President of the Wilson Parent Foundation, I am honored to welcome you to the 2026-27 school year – and to share what your support made possible this past year.

### This past year, your support made possible

#### OUR FOCUS • SAFETY & PREPAREDNESS

##### Wildcats Ready Go Bags

We funded and delivered Emergency “Wildcats Ready” Go Bags for classrooms across campus, helping keep our students and staff prepared in an emergency. These kits include basic emergency supplies to help students and staff stay ready in a campus emergency.

#### CELEBRATING OUR STUDENTS

##### From Senior Sunrise to the Alumni Challenge

We sponsored hot cocoa for Senior Sunrise, purchased a full-page yearbook ad, and sent our graduating seniors off with congratulatory banners. Our Pay It Forward Alumni Challenge invited graduates to give back by class year, reconnecting alumni with today’s Wildcats.

#### HONORING OUR STAFF

##### A year of thank-yous

We welcomed teachers back with treats, hosted two Staff Appreciation Breakfasts, and celebrated a full Teacher Appreciation Week.

### Looking ahead to 2026-27

The new year brings new ways to support our Wildcats. We’ll keep investing in campus safety, celebrating student milestones, and showing our teachers and staff how valued they are – and we’re always looking for parents ready to help shape what comes next. Have an idea or an hour to give? We’d love to hear from you.
