Parent Permission Form for Google Apps

Dear parents of K – 8th Grade Students,

We are excited to provide "Google Apps for Education" at the Lennox School District this school year. "Google Apps" is a website that provides tools for learning and collaboration online. The use of this website will help build an environment for learning in the 21st century.

In order for your child to participate, parents must complete a permission form. ONE for each student.

Students need to know:
Students will follow school policies for appropriate use when using Internet based services like Web 2.0 applications & Google Apps. These services are considered an extension of the school's network. Students have no expectation of privacy in their use. As school and service administrators have the right and ability to monitor user accounts for policy and security enforcement.

Parents need to know:
Student Acceptable Use Policy will be enforced. School staff will monitor student use of applications when students are at school. Parents are responsible for monitoring their child's use of applications when accessing programs from home. Students are responsible for their own behavior at all times.
