

Greetings Dater Montessori families,

My name is Mr. Sean Emmett and I am the physical education teacher at Dater Montessori. I am extremely excited to be a new member of this awesome school. I have 20 years experience and have taught in private, charter and public schools in my career. I was previously the physical education teacher at Chase Elementary for the past 9 years.

I enjoy watching or attending our Cincinnati Reds, Bengals and FCC games during their seasons. I enjoy taking part in sporting activities, whether as a participant or as a coach. I have coached Flag Football and Volleyball in my years. I also enjoy traveling and going on vacation with my family each summer to visit new waterparks. I also enjoy visiting my brothers who live out of town.

My family has several teachers: Dad, Aunt, and 7 cousins.

I grew up in the Oak Hills School District, attending John Foster Dulles for 4 years and Bridgetown Junior High for 2 years before attending St. X HS. After graduating, I was accepted into Morehead State University in Morehead, KY. I graduated from MSU in 2001, moved to Sarasota, FL, where I taught for 4 years, before returning to Ohio due to the high cost of living. I now live in Northern KY, but still teach in Ohio.

I can't wait to meet everyone in August when the school year starts! Have a great remainder of your summer break!

Your student will need just a couple things:

3-6 grade

deodorant to use after class

shorts under any dress or skirt

socks and gym shoes

water bottle that can close (optional)

K-2

shorts under any dress or skirt

socks and gym shoes

water bottle that can close (optional)
