RE: Surplus Furniture

The Haysville School District will be selling a variety of surplus furniture through an online auction. Items are all leftover from the WSU facility. These are items that they left behind such as podiums, desks, chairs, tables etc. We have saved the furniture that schools were wanting.

The auction is being conducted at no cost to the district, making this a great opportunity for community members and organizations to purchase quality used furniture while helping the district clear space for future needs.

RE: Disposal of a 19 passenger School Bus

The Haysville School District will be disposing of a 19-passenger school bus with VIN: 1GBHG31F3Y1201369 manufactured in 2000. This bus has reached the legal limit that we can use it for. We will dispose of this through Gavel Roads auction company.

Re: Summer Computer Upgrades
Date: 1/26/2026

History/Relevance: Our elementary schools Chromebooks are next in line to be upgraded in our computer refresh cycle. They will be 5 years old at the end of this school year.

What: The district is requesting the approval of the board to purchase new Chromebooks for all elementary students.

Why: The elementary Chromebooks will be 5 years old at the end of this school year and are in need of an upgrade. Parts are becoming difficult to find and the battery life are becoming very short.

Where: All district owned buildings.

When: With Board approval the purchase would be made spring 2026.

How: With Board approval the district will purchase the computers from chosen vendor. This purchase will be covered under state contract.

Who: This upgrade would benefit all K-5 students.

How much: **The total cost of the new Chromebooks to the district would not exceed $950,000.** The $950,000 has been set aside and will be paid for out of the technology department computer fund line item.

Thank you,

Jason Soupene
Director of Technology

Approval of Staff Compensation for Inclement Weather Closure

Background: Due to inclement weather on January 26, 2026, Haysville USD 261 canceled all school operations and closed district facilities to ensure the safety of students and staff.

Request: The District Administration requests Board approval to compensate all Certified and Classified staff for their regularly scheduled hours on January 26.

Fiscal Impact: This request results in **no additional impact on the budget**, as these wages were already allocated and accounted for within the current fiscal year's operating budget. Paying staff for this day ensures financial stability for our employees and maintains consistency in our payroll obligations.

Thanks,

Craig Ryan

RE: Request to seek bids for asbestos removal at Haysville Middle School

History/Relevance: The Operations Department has been replacing the carpet during the last couple of summers at Haysville Middle School. We still have carpet that is south of the main hallway that needs replaced. In some of these areas, there is asbestos under the current carpet that needs abated before we can lay new carpet.

What: We are asking for approval to seek bids on asbestos removal at Haysville Middle School.

Why: We have several areas that still need new carpet but has asbestos material under the old carpet that needs to be abated.

Where: Haysville Middle School

When: We would like to send bid information out on February 24th, 2025, and have bids returned to us on March 4th, 2025, so we can get it schedule for the beginning of the summer.

How Much: The cost to seek bids is zero dollars. I anticipate the cost asbestos removal will cost

If you have any questions, please do not hesitate to contact me.

From: Jeff Hersh
Re: 2026-27 School Calendar

BOE:

It is my recommendation the USD 261 Board of Education approve the 2026-27 USD 261 school calendar as presented. The proposed draft calendar meets the contractional requirements of the Negotiated Agreement and exceeds the minimum number of student contact hours (1116 hours) required by the Kansas State Department of Education.

As you have questions, please do not hesitate to contact me.

Thank you

From: Chris Jensen & Jennifer Reed
Re: 26-27 Junior Reserve Officer Training Corps (JROTC)
Date: Feb 10

History/Relevance:
Campus High School is seeking to expand leadership and career readiness opportunities for students through the addition of a Junior Reserve Officers' Training Corps (JROTC) program. JROTC is not a military enlistment program; rather, it is a leadership, citizenship, and personal development course open to all students. The U.S. Army JROTC program is recommended due to its strong funding model, extensive equipment and training support, and proven success in Kansas schools.

What:
We are requesting approval to implement a U.S. Army JROTC program at Campus High School, staffed by two instructors (Senior Instructor and Instructor).

Why:
The addition of JROTC will expand leadership development opportunities, engage diverse learners, and support college, career, and military pathways. The program promotes citizenship, conflict resolution, accountability, attention to detail, and ACT preparation support. It also provides structured extracurricular opportunities such as drill team, drone operation, ropes courses, archery, and air rifle instruction with a gun safety curriculum. The goal is to serve 100+ students and broaden student engagement across multiple interest areas.

Where:
The program will be housed at Campus High School within USD 261 eventually. For the first year we would pilot the program with Wichita South as a partner.

When:
Year 1: Partner with Wichita South High School's JROTC program and send 10–20 Campus students.
Year 2: Full program launch at Campus High School.

How:
With BOE approval, Campus administration will coordinate with the U.S. Army JROTC program and USD 261 Human Resources to hire two qualified instructors. The Army provides textbooks, uniforms, equipment, drone technology, instructor training, and curriculum support. The program will operate with four course levels (I–IV), with one class every other day and flexibility in placement for older first-time students.

Who:

USD 261
HAYSVILLE
SCHOOLS

Two instructors (Senior Instructor and Instructor), selected by the Campus administrative team, will lead the program. Instructors will be USD 261 employees and covered under district insurance.

How much:

First year- 1/9 FTE per student ($7500 x 1/9 times 20 students=$17K) plus transportation ($15K-About $32K All in. Second year-The estimated annual cost is approximately $100,000 per year for two instructors (salary and supplements ≈ $86,000). The U.S. Army matches district funding and provides substantial program materials and equipment, reducing additional startup costs. As these would be district employees, they would also require district insurance.

Thank you,

Chris Jensen, Assistant Principal, Campus High School

Jennifer Reed, Assistant Superintendent for Learning Services
