

What Will It Cost to Fix Our Schools?

Allamuchy Township School District

A small monthly investment protects our home values and keeps our schools safe and functional.

Monthly Cost by Assessed Home Value

\$200,000 → **\$24.32/mo**

Less than a bagel + coffee once a week

\$300,000 → **\$36.50/mo**

Less than one glass of wine per week

\$400,000 → **\$48.64/mo**

Less than one fast-food meal per week

\$500,000 → **\$60.80/mo**

Less than one pizza per week

Simple Formula:

\$12.16 per month for every \$100,000 in assessed value

≈ less than one Dunkin' coffee per week

★ Why It Matters ★

- ✓ **Protects home values** — well-maintained schools are a top factor in property value
- ✓ **Ensures safe, reliable school buildings** — addressing critical infrastructure needs now, not later
- ✓ **Strengthens our community reputation** — investing in education attracts families and businesses

Allamuchy Township School District — Community Investment for Our Future
