12:30 p.m.	12:30 p.m.
Global History & Geography II Algebra II	Geometry Life Science: Biology

Uniform Admission Deadlines

Morning Examinations — 9:15 a.m.

Afternoon Examinations — 1:15 p.m.

DET 504 AUG 2026

Students must arrive to the exam periods 30 minutes before the exam start times.

TRANSPORTATION

Eastern Suffolk BOCES does not provide transportation to and from summer school. Please contact your home district for arrangements.

HEALTH and SAFETY IMMUNIZATION

In accordance with New York State Education Law and New York Public Health Law, every student attending summer school is required to furnish the school with proof of immunization against polio, mumps, measles, diphtheria, and rubella (German Measles).

SCHOOL NURSE

A registered nurse will be on duty during school hours.

Nurse's office number: Bay Shore: **Phone: (631) 968-1166**

Nurse's office number: Sayville: **Phone: 631-244-6620**

LIBRARY

The Library will be open daily from 7:20 am to 11:25 am under the supervision of a certified librarian.

ATTENDANCE

Summer school students are expected to attend all classes in order to experience maximum instructional benefit. Attendance is taken each class period and recorded. Legal reasons for absence, according to New York State Law, include the following: illness of a student or family member, death in the family and/or required court appearances. *Students who have excused absences may be provided the opportunity to make-up missed work.*

An excused absence note should be submitted the day the student returns to class. All tests and missed work during the absence must be made up and submitted to the teacher as soon as possible. Class participation is factored into a student's summer school grade. *Poor attendance coupled with the lack of class participation or completion of assigned work may result in a student not earning a passing grade for the class. More than three (3) unexcused absences will likely result in a student being unable to earn sufficient points to pass the class.*

GRADING POLICY AND REPORT CARDS

The passing grade for examinations and courses is 65. Final examinations/culminating projects or Regents exams will be given in all subjects 6 - 12.

Eastern Suffolk BOCES Regional Summer School

Grading

Teachers will be responsible for keeping a digital grade book record in School Tool as the teacher's official record and will be retained for future reference.

Grade Breakdown

70% Assessments (Demonstrated competency).

30% Daily Coursework (Active participation/effort).

Two mid-semester grade reports are issued to indicate to the student and parents how well they are performing. Prioritize grading *formative* assignments necessary for mastery of key skills and passing Regents Exams: the big ideas needed for success in the next course.

****Unlimited Revisions:** Allow students to retake assessments or revise projects until they hit at least a 65 (Foundational).

The following rubric will *inform* course grading:

Category	Exemplary (4)	Proficient (3)	Approaching (2)	Beginning (1)
Understanding	I have mastered the concept and can apply it to complex problems or new situations.	I understand the main concepts and can complete grade-level tasks independently.	I understand the basics, but I still struggle with more difficult parts of the standard.	I have significant gaps in my understanding and need extra support to finish.
Quality of Work	My work is thorough, accurate, and exceeds the basic requirements of the assignment.	My work is complete, organized, and clearly meets the goals of the lesson.	My work is mostly complete, but contains errors that show I haven't fully grasped the topic.	My work is incomplete or does not address the required standards.
Revision & Growth	I used feedback to refine my work and reached a higher level of quality.	I corrected my mistakes based on feedback to ensure I met the passing requirements.	I completed the minimum requirements but did not push to fix remaining errors.	I have not yet used feedback to revise my work or show improvement.
Mastery Level	Percentage Range	Numeric Score (Floor)	Transcript Grade Equivalent	
Exemplary (4)	90% – 100%	90+	A	
Proficient (3)	80% – 89%	80	B	
Foundational (2)	65% – 79%	65	C	
Developing (1)	55% – 64%	55	F	

Credit Awarded: Final course credit will be determined by the home school district for the student's permanent school record. Each school district gives the summer school final grade a percentage value to determine the student's final grade for the course. Each district may have a different policy. **The passing grade for the Eastern Suffolk BOCES Regional Summer School is 65. No grade shall be given below a 55.**

EASTERN SUFFOLK BOCES
REGIONAL SUMMER SCHOOL 2026
STUDENT RESPONSIBILITIES

All students will be subject to the Eastern Suffolk BOCES's Code of Conduct available in the Regional Summer School Principal's office. This will ensure that all students have an equal opportunity to a quality education.

Students' Responsibilities

All student interaction and communication among themselves and with teachers, administrators, other employees, and visitors on ESBOCES property will be acceptable, civil, and respectful.

- Respect one another and treat others fairly in accordance with the Code of Conduct and the provisions of the Dignity Act
- Conduct themselves in a manner that fosters an environment of inclusivity that is free from intimidation, harassment, and discrimination
- Be familiar with and abide by all ESBOCES policies, rules, and regulations dealing with student behavior
- Contribute to maintaining a safe, healthy, supportive, and orderly environment that is conducive to learning and show respect to other persons and property

Community Expectations

At Eastern Suffolk BOCES Regional Summer School, we are committed to fostering a respectful, inclusive, and supportive learning environment where every student has the opportunity to thrive. The following expectations are in place to ensure safety, equity, and mutual respect among all members of our learning community:

Attendance

The summer semester is 22 instructional days with 2 examination days. Eastern Suffolk BOCES requires attendance in line with individual site policy. Poor attendance, especially over three unexcused absences, combined with a lack of class participation or incomplete work, may result in a failing grade.

- Lateness, 5 to 15 minutes, counts as half an absence.
- Lateness of more than 15 minutes counts as a full absence.
- The actual granting of credit must be made by the student's home school.
- After 3 full absences, students may be dropped from the course and will not earn course credit.

Tobacco, Vaping, and Substance Use

To support student health and well-being, the use of tobacco products or vaping devices is not allowed on school property, including in vehicles, parking areas, and adjacent streets or private property. If a student is found using or possessing these items, staff will engage the student in a conversation to understand the behavior and its impact, and appropriate restorative or educational steps will be taken. ***Violations may result in a review of the student's continued participation in the summer program.***

Driving and Parking

Student parking is limited and considered a privilege based on safe and responsible behavior. Students are expected to follow all traffic and parking guidelines while on school grounds. If concerns arise, staff will work with students to address the issue, reinforce expectations, and, if necessary, temporarily revoke parking privileges. School personnel will be present during arrival and dismissal to provide guidance and ensure safety.

Respect for People and Property

We uphold a commitment to respect the rights, dignity, and safety of all members of our school community. Behaviors that cause harm to others or damage property will be addressed promptly through restorative conversations and, when appropriate, involvement of school administrators or support staff. Our focus is on repairing harm, rebuilding trust, and ensuring accountability. In cases of serious misconduct, continued participation in summer school may be reconsidered.

Dress Guidelines

Students are encouraged to express themselves through clothing in a way that is appropriate for a focused learning environment. Clothing should not disrupt the educational process or create safety concerns. Garments that are overly revealing or contain offensive or dangerous elements (e.g., metal spikes, sharp accessories) are not permitted. Students wearing clothing that does not align with these guidelines will be respectfully asked to change or arrange for alternate attire. For health and safety reasons, students must wear appropriate footwear at all times while on campus. Repeated issues may result in a review of the student's continued participation in the summer program.

Building Access

To maintain a safe and orderly environment, students should use the designated entry and exit doors, except during emergencies or safety drills. Loitering on school property, including hallways and outdoor areas, is discouraged to ensure safety and maximize learning time. Students should remain in areas where their classes are scheduled. If a student is found in an unauthorized area, a conversation will be held to understand the reason and reinforce expectations; an unexcused absence may result.

Personal Belongings, Electronic Devices, and Prohibited Items

To maintain a focused, respectful, and safe learning environment, students are expected to manage their personal belongings responsibly and in alignment with school expectations.

Electronic Devices:

No unsanctioned use of smartphones and other internet-enabled personal devices on school grounds in K-12 schools for the entire school day (from “bell to bell”), including classroom time and other settings like lunch and study hall periods. This is in accordance with NYS Distraction Free Schools Law. Repeated issues may result in a review of the student's continued participation in the summer program.

Prohibited Items:

For safety and security reasons, the following items are **not allowed** on school grounds:

Weapons or objects that could be considered dangerous, any form of medication (unless administered through the school nurse in accordance with proper procedures), large sums of money or valuables that may be lost or stolen.

If any of these items are brought to school, staff will work with the student to address the concern, ensure safe handling of the item, and involve parents or guardians. Our approach emphasizes safety, accountability, and learning from mistakes while upholding clear expectations for community well-being.

We believe in creating a learning community rooted in trust, accountability, and care. When expectations are not met, our goal is to work with students to understand the impact of their actions, make things right, and support them in making positive choices moving forward.

I have been informed of the Code of Conduct of the Regional Summer School host district and understand that if I violate these rules, I must leave the program and will not be able to return.

Name (print)

Signature

Date

No Cell Bell To Bell

In compliance with New York State law, the use of cell phones and other wireless devices will be prohibited throughout the school day.

Personal Device Use Prohibited

- **During class**
- **During class change, in the halls, walking to and from other locations in the school**
- **Restrooms or locker rooms**
- **In the cafeterias**

Escalation for Policy Violations

Behavior	Response	Who's Involved
1st-time classroom/hallway violation	Reminder and confiscation (student pickup)	Teacher/Staff
Repeat offense	Confiscation (parent pickup)	Teacher/Staff Admin Notified
Refusal to comply	Call for Admin/Security Code of Conduct	Principal/AP/Dean
Recurrent noncompliance	Admin/Family conference Code of Conduct	Principal/AP/ Dean
