To Whom it May Concern:

I have been teaching first grade at Pine school since 1963. The principals have been Mr. Houser, Mr. LaDuke and Mr. Paison, that I've taught under. At first the school had all eight grade classes. Then with reorganization the school was under Michigan City Area Schools with Kindergarten through six grade. There has been many changes except I still have the same furniture in my room as when I first started.

My pupils told me what they would like to be when they grow up, as follows:

1. Lee Gubble - policeman
2. Brian Hero. Gas Station attendant
3. Daniel Janowski - fireman
4. Todd Kegebin - baseball player
5. David Koffeldt - baseball player
6. John Murphy - dog catcher
7. Troy Ogle - Drag car racer driver
8. Timothy Richardson - fighter
9. Edward Steinborn - truck driver
10. Steven Sursi - football player
11. Charlene Esmeyer - veterinarian
12. Dawn Irliswold - Tooth fairy
13. Cynthia Hargrove - nurse
14. Charity Howard - Princess
15. Sheila Kersey - nurse
16. Natalie Myer - Teacher
17. Sandra Rajsic -
18. Carmella Pack -

19. Melissa Werdin - doll maker
20. Katrina Meisner - nurse
21. Kathryn Sackett - Teddy Bear
22. Jennifer Long - nurse
23. Lisa Marshall - astronaut
24. Joey Bowen - carpenter

We often wonder what will be in the future. My hope
that whatever these pupils will always be happy.

Sincerely,
Mrs. Swila Ensey
