To the people of the year 2026:

It is our most sincere wish that when this time capsule is opened the people around the world will have achieved a lasting peace, the medical and scientific professions will have conquered all the dreaded diseases that now cause so much death, pain, and unhappiness. We trust that men will have learned to work, live and play in their daily lives without having to be in fear of the ever rising criminal element we now fear.

On behalf of the Town Board of the Town of Pines, Indiana
wishing everyone the best of luck.

Sincerely yours,

Henry C. Wolford III
President
