FOR IMMEDIATE RELEASE:

Lafayette School Corporation names Melissa Hunt Assistant Principal at Miller Elementary

The Lafayette School Corporation has named Melissa Hunt as assistant principal at Miller Elementary School.

Hunt currently serves as a third-grade teacher at Vinton Elementary School and previously taught fourth grade for eight years. During her nine years in the classroom, she has earned a reputation as a highly effective educator who uses data to drive instruction, builds strong relationships with students and families, and actively collaborates with colleagues to improve teaching and learning.

Hunt holds a Master of Science degree in Building Level Administration from Purdue University and possesses an Indiana Building Level Administrator License. In addition to her administrative preparation, she is Cognitive Coaching certified, Crisis Prevention Institute (CPI) certified, and serves as a district trainer for Project Lead the Way. These experiences have strengthened her ability to coach and support staff, facilitate professional learning, and lead school improvement efforts focused on student success.

Her dedication to LSC, proven instructional expertise, leadership preparation, and passion for supporting students and staff make her exceptionally well-qualified for this position. Her perseverance in pursuing leadership opportunities within the district, coupled with her exemplary service as a classroom teacher, reflects both her commitment to professional growth and her desire to positively impact the broader school community.

Hunt will assume her new duties July 1, 2026.
