RE: Bainbridge Elementary School
AHERA 3 Year Reinspection
CAL Job No. 02-5714-032

Dear Mr. Boltz:

Attached is the AHERA 3 Year Reinspection Report for the **Bainbridge Elementary School.** The reinspection was performed on March 6, 2002, by Richard E. Roush of Cumberland Analytical Laboratories [A Division of Nassaux-Hemsley, Incorporated].

CHANGES IN CONDITION: All floor tile **throughout the building** previously listed in the AHERA 3 Year Reinspection Report was removed prior to 1995.

Since all **VISIBLE** asbestos containing materials have been removed from this school, it may be deleted from the Management Plan.

Please review the attached report and contact this office with any changes or omissions.

If you have any questions concerning this reinspection report, please do not hesitate to contact this office.

Sincerely,

Cindy A. Rumberger
Administrative Assistant/Project Coordinator
