

Notice Regarding Employment History Disclosure (SB 848 Compliance)

SB 848, all applicants for certificated positions must provide a complete and accurate record of all employment with Local Educational Agencies (LEAs), school districts, or other educational institutions.

As part of the hiring process, Arvin Union School District (AUSD) will verify employment history. This may include obtaining information from previous employers regarding credible allegations, investigations, or disciplinary actions related to egregious misconduct, as defined by Education Code Section 44932.

For Previous Employers:

If you are requesting information under SB 848, please direct all responses to rflores@arvin-do.com. Our team aims to provide a response within two business days.
