

PANAMA-BUENA VISTA UNION SCHOOL DISTRICT SAFETY DATA SHEETS

Panama-Buena Vista Union School District employees are only authorized to use chemical products approved by Health, Safety and Wellness. An inventory list of approved chemical products can be found online at [VelocityEHS SDS Library and eBinder®](#) or tinyurl.com/ebinderpbv.

Safety Data Sheets (SDS) are required for all chemical products used within the district. This 16-section format provides information for the safe use and handling of chemical products.

SAFETY DATA SHEET PROCEDURAL STEPS

DO NOT PURCHASE, BRING FROM HOME OR USE any product at a District worksite until the product has an **approved** SDS added to the eBinder.

Step 1: Access eBinder at VelocityEHS®

- Access eBinder at tinyurl.com/ebinderpbv or [VelocityEHS SDS Library and eBinder](#) or QR Code

Step 2: Click SDS Search in the Top Menu Bar

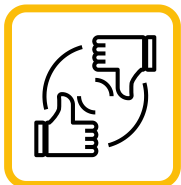

- Search all categories **or** Specific categories: product name, product code, manufacturer
- If you cannot find an SDS in the VelocityEHS SDS Library, contact the vendor to request the SDS

Step 3: Request Approval for Product/Chemical

- Click the checkbox next to the product name
- Then tap "Add to eBinder" located to the top right **or**
- tinyurl.com/sdsrequestpbv or [SDS Approval Request](#) or QR Code
- Answer the approval process questions
- Your request will be routed to the Queue for review

Step 4: Response

- The review process takes 5-7 days
- You will receive an approval or denial email
- If approved, you can move forward with ordering
- If denied, **DO NOT** order the product/chemical
 - A less toxic product/chemical may be submitted for review

NOTE FROM PURCHASING DEPARTMENT

- Purchase orders for products without an SDS in the eBinder will be rejected
- If an SDS is required and in the eBinder, put a note in the requisition that an SDS is on file
- **DO NOT** order from Amazon as third party vendors do not provide SDS's
