Join KidzArt for a week of creative mixed-media fun! Campers will explore both 2-D and 3-D art while working with a variety of exciting materials, including fabric, yarn, cardboard, paint, foam, and more. Through hands-on projects, students will unleash their imagination, develop artistic skills, and create unique works of art they'll be proud to take home. No prior art experience is needed—our instructors provide step-by-step guidance in a fun, relaxed, and supportive environment. No transportation provided. Students must be picked up by an adult 18 years or older.
