

Chromebook Insurance Plan

Granada Hills Charter (“GHC” or “School”) is pleased to offer parents/guardians an optional, low cost plan (the “Chromebook Insurance Plan”) to cover accidental loss and damage to your student’s Chromebook. Under the Chromebook Insurance Plan, your student’s Chromebook (“Device”) is protected against accidental damage, theft, or loss. If the Chromebook Insurance Plan is waived (not purchased), you will be responsible for paying for the repair or replacement of your student's Device if it is damaged, stolen, or lost, regardless of the circumstances leading to its loss or damage. It is important to understand that failure to pay for the repair or replacement of a Device will be treated like any other school debt and may preclude your student from participating in extracurricular, sports and graduation activities.

As with all School-issued materials and equipment, it is imperative that the Device your student is issued be maintained and handled in a responsible manner and that it remains in operational condition throughout the school year.

If a student’s enrollment is terminated from Granada Hills Charter for any reason, this insurance agreement becomes null and void on that date. There are no refunds once this agreement becomes active on the date the Chromebook is issued and payment is made.
