

Columbian Elementary School Boundaries

Current as of August 2026

Outer district boundary (green line) shown is approximate, not exact.

COLUMBIAN ELEMENTARY SCHOOL BOUNDARIES DESCRIPTION

The Columbian Elementary attendance area encompasses the former Bessemer and Columbian elementary attendance boundaries.

Beginning at the intersection of Central Avenue and Lake Avenue; north on Lake Avenue to Small Avenue; west on Small Avenue to Adams Street; northwest on Adams Street to Michigan Street; south on Michigan Street to Orman Avenue; northwest on Orman Avenue to Bennet Street; southwest on Bennet Street to McClelland Avenue; west on McClelland Avenue to Prairie Avenue; north on Prairie Avenue to the Arkansas River, following the Arkansas River east continuously along the northern perimeter to Santa Fe Avenue; south on Santa Fe Avenue to Santa Fe Drive; east and southeast on Santa Fe Drive to Northern Avenue; west on Northern Avenue to the D&RGW Railroad tracks; south along the D&RGW Railroad tracks to a point parallel with the intersection of Central Avenue and Interstate 25; west on Central Avenue to Lake Avenue, returning to the point of beginning.

Also included is the former Fulton Heights Elementary attendance area, beginning at the intersection between the 400 and 500 blocks of Santa Fe Drive; southeast on Santa Fe Drive to where Northern Avenue would intersect; west on Northern Avenue to the D&RGW Railroad tracks; south along the D&RGW Railroad tracks to a point parallel with Aqua Avenue; thence following the Pueblo City Limits line along the southern and eastern boundaries of District No. 60; north to a point parallel with Aspen Road (between 1600–1700 Santa Fe Drive) to the Arkansas River; west along the Arkansas River to a point intersecting between the 400 and 500 blocks of Santa Fe Drive; south to the point of beginning.
