

Beaver Lake Middle School: Year Start Supply List – all grades!

Middle School supply lists are very different to those used in Elementary school. All supplies are personal and student are encouraged to use their lockers, rather than carrying everything through the day. Different subjects may occasionally need new supplies throughout the year, and teachers will communicate this via Canvas at the appropriate time.

All students will be provided with a 2026-27 Planner & Student Handbook in the first few days of school.
