

WHAT IS AVID?

AVID stands for Advance Via Individual Determination. It is a program that provides students with a support system and prepares them for college and future career opportunities while in high school. Research tells us that the most powerful influence on academic achievement is a caring teacher. When students care and connect to both their learning and their teacher, they will succeed!

AVID SUPPORT

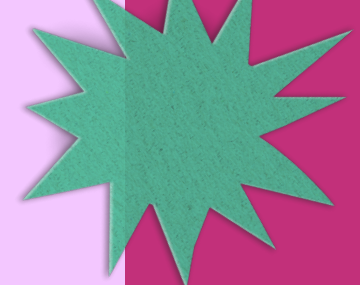

- Time Management and Agenda Keeping
- Develop Note-Taking Skills
- Grade Management
- AVID Tutors

AVID 9 + AVID 10 APPLICATION

HEAR FROM OUR STUDENTS

"Many people told me I COULD be successful. AVID made sure that I WOULD be successful."

"I get to explore different options for my future like college and careers."

"AVID has given me a small family that I know I can go to for help."

"My freshmen year I was nervous that AVID will be an added stress on top of my classes. I was so wrong! AVID not only helps me be more organized and succesful in all of my high school classes, it wll also help me in my future."
