Dear Montpelier Families and Community Members,

I am excited to begin this new chapter as Principal of Montpelier Middle School, serving students in grades 5-8 as part of our district's reorganization this year. As a proud 1992 graduate of Montpelier High School, it is a privilege to serve in this role.

This year marks my 30th year in education. During my career, I spent 18 years teaching at Tinora and West Unity-Hilltop, primarily at the junior high and high school levels, before serving 10 years as an assistant principal. I have also worked as a curriculum director and spent a combined 20 years as a head football and head basketball coach. Each of these experiences has reinforced my belief in the importance of building strong relationships and creating opportunities for students to succeed both inside and outside the classroom.

I earned my degree from the University of Toledo in 1997, and throughout my career, my greatest passion has always been working with students. I enjoy being around their energy, enthusiasm, and optimism, and I look forward to seeing our students grow academically, socially, and personally throughout the school year.

Montpelier has always held a special place in my heart. The pride, support, and sense of community found here are second to none. I am eager to partner with our students, families, staff, and community members as we begin this exciting new chapter together. I cannot wait to get started and help make Montpelier Middle School a place where every student feels valued, challenged, and supported.

Sincerely,

Michael A. Bumb
Principal
