CARDINAL COMMUNIQUE

JANUARY 2026

Superintendent's Message

Mr. Joseph Knoll

As we begin 2026, I want to reflect on the tremendous accomplishments of the first half of the school year. There are countless reasons to be proud to be a Cardinal, and I remain grateful for the support, spirit, and shared commitment to excellence that define Canfield. Every day, our students, staff, families, and community partners bring The Cardinal Way — Pride, Purpose, Passion, and Perseverance — to life.

This fall, we continued our strong tradition of honoring those who serve our country and our community. We recognized first responders and military members during halftime at a home football game, and our PTA-sponsored Community Night took place the same evening. The large turnout for both events underscored the importance of partnership in education and reflected the very best of who we are.

Academically, we have much to celebrate. Fifty-three Canfield High School graduates and current students earned AP Scholar Awards for their outstanding performance on AP exams in 2024–2025. On the state report card, CH Campbell, Hilltop, and CVMS each earned 5 stars, while the district and CHS earned 4.5 stars overall. This is a remarkable testament to the dedication of our educators and the hard work of our students.

Our district's overall star rating shifted due to the state's new College, Career, Workforce, and Military Readiness component. This new measure requires students to complete one of 11 indicators, such as earning an honors diploma, meeting AP/ACT benchmarks, completing an apprenticeship, entering the workforce, or joining the military. Although 85.1% of the Class of 2025 enrolled in college, college enrollment is not included as one of the indicators. Canfield performed very well on the components tied to college readiness, and we remain committed to expanding opportunities in workforce and apprenticeship pathways. Even with this change, the data affirms that Canfield continues to be one of the region's and state's highest-performing districts.

In personnel news, the Board of Education named Benjamin Marko as the district's next Treasurer, succeeding longtime Treasurer Pattie Prince, whose nearly four decades of dedicated service are deeply appreciated. We extend our best wishes to Miss Prince in her next endeavors.

Our students continue to demonstrate the importance of service. This year, the CVMS Food Drive raised a record-breaking 6,700 pounds of food, an incredible example of kindness and leadership. We also celebrated another successful tradition with the 36th Annual CHS Craft Show, which drew large crowds and showcased the hard work of our junior and senior class officers.

Our community partnerships remain central to student success. Career Days, team feeds, the Canfield Rotary's Students of the Month recognition, and so much more, reflect the heart of Canfield and our shared investment in every child.

We also celebrate a strong season of athletic excellence. The Lady Cardinal Golf Team placed 10th in the state, and we congratulate state cross country qualifiers Alex Taranto and Alex Hammar. Lexie Toporcer and Drew Snyder were named to the All-State soccer team. Read about all of our accolades in the sports section of this issue.

As we move into the second half of the school year, thank you for your continued partnership and your commitment to The Cardinal Way. Together, we will carry forward the Pride, Purpose, Passion, and Perseverance that make Canfield such an exceptional place to live, learn, and lead.

With Cardinal Pride,
Superintendent Joe Knoll

CURRICULUM

Goal #1

Curriculum and Academic Programming

Objective 1:

Conduct an internal curriculum audit noting curriculum that may be outdated or no longer compliant to the state-required standards. Create assessment maps to ensure alignment both horizontally (within the same grade) and vertically (K-12, same content) throughout the district. Create assessment maps in Reading/Math.

Objective 2:

Assess all offerings, both state required content as well as extra-curricular offerings, to make sure students have access to multiple options. Advance the curriculum offerings with careful consideration of the infusion of a life-skills curriculum that offers financial literacy skills for all students.

Objective 3:

Continue to promote, define and implement direct pathways so students are provided with multiple opportunities to explore available careers beyond graduation, such as college/ university, career and technical education, military and other non-college preparedness opportunities.

FINANCES

Goal #3

Finance & Accountability

Objective 1:

Publish and promote a series of simplified/community friendly graphics to educate Canfield Local School District stakeholders and taxpayers more deeply on current and projected (future) expenditures; consistently communicate district financial picture to provide an accurate portrayal of financial standing.

Objective 2:

In an effort to remain transparent, conduct a bi-annual question and answer session regarding the financial standing of the district to better inform the community and parents of the current and projected needs.

Current School Levies

Emergency Levy:

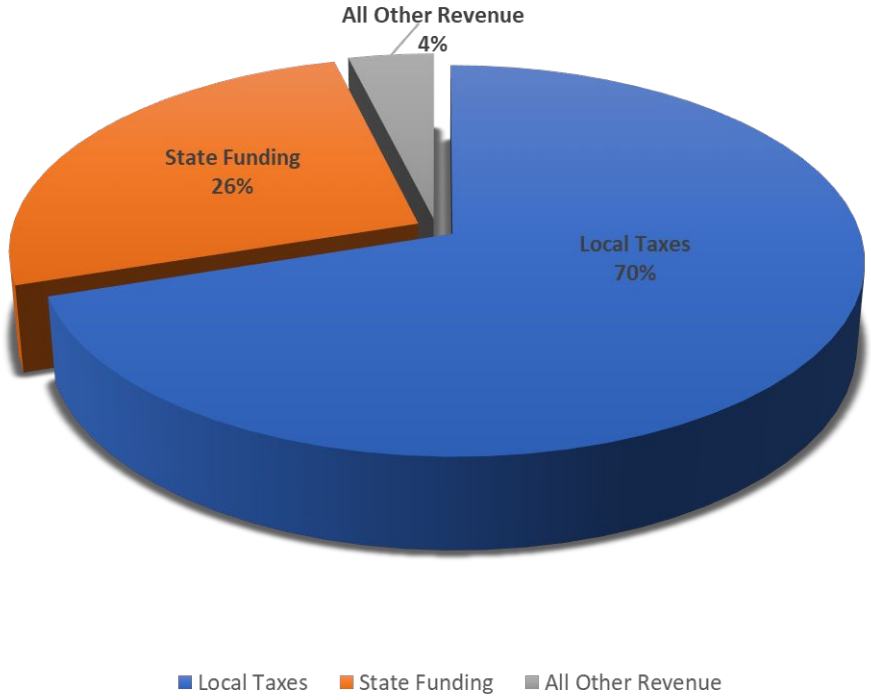

- Originally passed in May 1986 for 6.5 mills
- Last Renewed November 2020 for 10 years
- Current effective millage 0.91

Current Operating Expense Levy:

FACILITIES

Goal #4

Facilities, Safety & Security

Objective 2:

Create a projected final assessment of future facilities needs in concert with master facilities plan; provide community updates related to potential project opportunities, cost, bond issue resources and/or potential OFCC development. Continue to communicate all findings and processes to families and the greater community.

For consideration: Pay particular attention to the aging middle school facilities, along with the AC and other air quality concerns in the elementary buildings.

Our Facilities

- C.H. Campbell (Built 1960)
- Hilltop (Built 1972)
- CVMS (Built 1902)
- CHS (Built 1966)
- Locker Rooms
- Bus Garage
- Athletic Buildings/Fields
- Stadium

Facility Efforts

Completed Summer Facility Projects

- Paving section of Canfield High School parking lot
- CVMS Roof
- Completed Stadium Scoreboard

  (Paid for by donations)

What's Next?

Future Facility Efforts

- Board of Education will continue prioritizing facility needs, exploring community-aligned solutions and educating the public
- Requested updated student enrollment projection from the Ohio Facilities Construction Commission (OFCC)
- Continued Board discussions will guide the development of a long-term facilities plan

The NEED still exists…..

Goal #2

Communications (External & Internal)

Objective 1:

Establish a comprehensive external communications strategy that attempts to engage and earn the trust of residents who do not, or no longer have, a direct connection to Canfield Local Schools; develop consensus on appropriate communication channels and tactics; create consistent communication expectations with families and provide needed outreach to the families. (External)

Objective 2:

Enact tactics to address student relocation to other school districts. Continue to promote positive events, staff and student profiles and any other notable achievements regarding the Canfield Local Schools in an attempt to maintain student populations. (External)

Goal #2

Communications (External & Internal)

Objective 3:

Ensure continued delivery of bi-weekly communication from the superintendent. Return of the printed calendar of events as a way for families and community stakeholders to be informed throughout the entire school year of district events. (External)

Objective 4:

Design and implement a comprehensive process for alumni outreach and engagement; utilize alumni connectivity to positively impact student programming and achievement. (External)

Goal #2

Communications (External & Internal)

Objective 5:

Establish consistent brand standards and messaging strategies to further reinforce the mission, vision and identity of Canfield Local Schools. (External)

Objective 6:

Provide training and support regarding internal communication best practices. Develop clear administrative expectations for all forms of internal staff communications so that each building/level/department receives consistent and timely updates; ensure all staff members are knowledgeable and informed regarding important district information so that they can confidently act as stewards of the district's vision and decisions; avoid selective pockets and siloed information. (Internal)
