I. Invitation

Jackson Public School District (JPSD) is soliciting proposals from qualified vendors for goods and/or services as described in this RFP. All products and services must meet the specifications or be approved equivalents.

The selected proposer shall provide the Services described below. Proposals must clearly explain how the proposer will meet each requirement.

II. Procurement Schedule (Tentative)

The District anticipates the following schedule. The District reserves the right to modify this schedule at any time.

Bid Issued	Tuesday, June 23, 2026
~~Prebid Meeting (virtual)~~	-
Deadline for Written Questions	Monday, July 6, 2026
District Issues Responses/Addenda	Wednesday, July 8, 2026
Proposal Submission Deadline	Monday, July 13, 2026, 10:00 A.M.
Evaluation Period	Tuesday, July 14, 2026 – Tuesday, July 21, 2026
~~Optional Presentations/Demos~~	-
Notice of Intent to Award (anticipated)	Friday, July 24, 2026
Board Approval	Tuesday, August 4, 2026
Contract Start Date (anticipated)	Wednesday, August 5, 2026

III. Bid Coordinator / Point of Contact

Communications regarding this RFP must be submitted in writing to the designated RFP coordinator designated below:

- Name: Michele Mays
- Title: Procurement Supervisor
- Email: rfp@jackson.k12.ms.us
- Phone: 601-973-8582

Proposers shall not contact other District employees, Board members, or representatives regarding this RFP during the procurement process.

All question and answers will be posted on the goggle document link: **Questions:** All questions must be submitted in writing to Lpaige@jackson.k12.ms.us or Hthompson@jackson.k12.ms.us by Monday, July 6, 2026 at 5:00 PM CST. Questions received after that date and time will not be considered.

All questions and answers will be posted online at

IV. Proposal Instructions and Requirements

Please be advised that Jackson Public Schools will accept electronic proposal submissions only for this solicitation. Printed, mailed, or hand-delivered proposals will not be accepted or considered.

Proposals must be submitted electronically through Central Bidding at the link below: www.centralbidding.com

Vendors are responsible for ensuring proposals are successfully uploaded and submitted prior to the deadline.

Important Submission Notes

- The Proposal Submission Deadline is Friday, April 24, 2026, at 10:00 a.m. Central time, as stated in Section II - Procurement Schedule.
- Late proposals will not be opened or considered.
- Faxed or emailed proposals will not be accepted.
- The District is not responsible for technical issues related to electronic submission.
- Vendors are encouraged to submit proposals early to ensure timely reception.

Proposal Format Requirements

- Proposal Cover Page must be the first page
- Proposal must be signed by an authorized official
- Incomplete proposals will not be evaluated

Pricing Requirements (if applicable)

- All prices must be net and include all applicable discounts
- Unit pricing prevails in case of discrepancies
- Prices must be rounded to two (2) decimal places
- Freight and shipping costs must be included, if applicable

Payment Terms (If applicable)

- Payment issued after satisfactory delivery or completion of services
- No partial payments unless specified
- Multi-year and open purchase orders follow contracted schedules

Insurance Requirements

The Contractor shall maintain the following insurance coverage for the duration of the contract:

- Commercial General Liability
  Contractors must maintain a minimum of $1,000,000 in General Liability coverage.
  Jackson Public Schools (JPS) must be listed as an Additional Insured on this policy. Coverage shall be primary and non-contributory.

- Workers' Compensation
  Any Contractor or subcontractor entering JPS school campuses, administrative buildings, or project sites must maintain Workers' Compensation insurance with a minimum limit of $1,000,000.
- Certificate Holder Requirement
  Jackson Public Schools must be listed as the Certificate Holder on all Certificates of Insurance (COIs). COIs must be provided to JPS prior to commencing any work or entering District property.

Evaluation and Award

- Award will be made to the responsive and responsible proposer whose proposal is determined to be most advantageous to the District (best value), considering price and other evaluation factors stated in this RFP.
- Evaluation may include, as applicable: price, compliance with RFP requirements, responsiveness/completeness, references, and overall value.
- All awards are subject to approval by the Board of Trustees and availability of funds.
- The District reserves the right to reject any or all proposals, waive informalities and minor irregularities, and take any action in the District's best interest consistent with applicable Mississippi law.
- The District may request clarification, verify information, and contact references.
- Optional demonstrations/presentations:
  - The District may invite the highest-ranked proposers to participate in demonstrations, presentations, or clarification meetings.
  - Invitation is at the District's discretion and does not guarantee award.
  - Demonstrations must address the proposer's platform, enrollment tools, reporting, and other features relevant to this RFP. Failure to participate when requested may result in disqualification.
- The District may negotiate with one or more proposers, as permitted, to obtain the best value for the District.

Performance, Default, and Termination

Failure to perform in accordance with the contract may result in termination and the vendor being held responsible for any excess costs incurred by the District.

Guarantees and Warranties

All goods and services must meet the specifications outlined in this RFP. Non-conforming goods or services must be replaced at the vendor's expense.

Addenda

Vendors must acknowledge receipt of all addenda issued during the RFP process and submit any required additional information with their proposal.

Important Notices

- All proposal contents become public records after award/notice of intent, subject to the Mississippi Public Records Act and applicable exemptions.

- The District reserves the right to reject any and all proposals, waive informalities, and negotiate with the selected proposer in the District's best interest.
- Proposers are responsible for reviewing the entire RFP and submitting all required forms and attachments.

VI. Scope Of Services

The purpose of this bid is to create a District price list to purchase computers and technology related devices for the term coinciding with the 2026-27 school year, or from the date of the JPS Board of Trustees approval of the bid until June 30, 2027.

The quantities for all items are unknown and no specific quantities for any item are guaranteed. The District will use this bid to purchase all items in the bid list for the specified term of the bid.

This price list is a multi-award bid. Vendors may bid on some or all items. Some devices include bundled services such as warranties or installation that must be purchased together with the device from the same vendor. The District reserves the right to reject all bids for any one item.

All products shall be **new**, not used, not refurbished, and the latest version available at the time of purchase. Vendors should bid their lowest and best price for each item based on the specified device and the outlined installation requirements. Should a product or device model be discontinued and/or upgraded, or should the specified device become unavailable during the term of the award due to manufacturer delays, shipping delays, or other supply chain delays during the contract period, the awarded vendor shall offer the JPSD a new product meeting and/or exceeding the established specifications, under the same terms and conditions originally offered at the start of the contract period with a price that cannot exceed 10% above the original accepted price.

The District will not automatically approve price redetermination for devices, nor will alternates automatically be accepted. If the vendor and the District cannot agree to a price or an alternate device, the agreement between the District and the vendor to supply that device will be terminated, and the individual item will be re-bid.

A. Term

The term of this bid is from the date of the Board of Trustees approval of the bid until June 30, 2027.

Other Information for Bidders

The vendor will be required to deliver all equipment to the JPS Fixed Assets warehouse for asset tagging before installation unless otherwise notified in writing by the District.

Vendors responding to any item including but not limited to Windows laptop computers and SMART Interactive Panels must hold a current and valid Mississippi contractor's license as required by the Mississippi State Board of Contractors. Vendors must provide proof of general liability insurance and workers compensation insurance with their bid response. Failure to provide valid documentation may

result in disqualification. Any vendor that comes on JPS property to service or install equipment must have this proof of insurance with their bid response.

Additionally, vendors must also be located within 200 miles of Jackson Public School District or must be able to guarantee onsite support for devices under warranty within 24 hours. Vendors must sell, install, and provide onsite warranty to support all SMART Boards without employing a sub-contractor.

Unless specifically noted, all devices, parts, and warranties must be Original Equipment Manufacturer (OEM).

B. Price Table

All vendors must fill in the table below with the total price bid for the item. Please read the following stipulations for each bid below:

- Item specifications and descriptions of other bundled services for some items are listed **BEHIND** the pricing table if required.
- **Detailed quotes that include the exact model number and/or product description for each item must be included in the bid packet along with completing the pricing table.**
- Quotes must be detailed and include the **EXACT** model information, shipping, warranties, as well as any other installation or other services requested outlined in the bid.
- All prices entered in the table for Items 1-3 must be based on quantities of 1 to 200.
- All prices entered in the table for Items 4-18 must be **ALL-IN-ONE PRICING for quantity of ONE.**
- Quote prices and prices added to the table must be the same.
- **Failure to provide detailed quotes for an item will result in the bid for that item being rejected.**
- All quantities on the bid should be quantity **ONE**.
- Shipping costs must be included in the all-in-one price or total entered in the pricing table. Vendors may include the shipping costs as a line item on the detailed quotes if required, but the all-in-one cost should be entered into the table.

Item Number	Item Description	Price
Windows Computers		
1	**Windows Laptop Computer – Business** **Model: Notebook ThinkPad X1 Yoga Gen 11** • Must include all elements listed in the detailed specifications. • Vendors should read all detailed specifications, including all warranty specifications and installation requirements carefully to ensure a qualified bid. VII. Appendix: General Device Information

The following pages outline the technical device specifications and other information needed by the vendor to submit pricing.

The District requires one total price for each item. The total price must include shipping, any additional warranties, installation, or anything else needed to make the specified device 100% operational after installation is complete.

Windows Laptops – Specifications, Installation, Software, and Warranty Requirements

The District is seeking an "all-in-one price" for every device that includes the device, 3-year depot warranty, 3-year unlimited accidental device protection, 3-year sealed battery add-on, Microsoft Autopilot, shipping and installation.

The price for all laptops must include 3-year unlimited accidental damage protection (ADP) for both warranty repairs and accidental damage. The accidental damage protection must include all specifications listed below. Documentation that outlines the exact ADP warranty language and/or terms and conditions must be included with the bid packet.

1. The accidental damage protection must include depot repair that includes free shipping to and from the repair depot.
2. The accidental damage protection must include repair for accidental drops, spills, bumps, LCD screen cracks, and structural failures incurred under normal operating conditions or handling, including electrical surges and damage to the integrated LCD screen. **ADP must be unlimited for the entire 3-year warranty period and include all repairs regardless of the number of times the device has been previously repaired.**
3. The price must include all shipping costs.
4. The price must include a 3-year warranty for the charger for issues related to manufacturing or technical failure of the charger. Vendors are not required to provide warranty coverage for accidental damage or physical damage to the charger.
5. The price must include the 3-year sealed battery add on warranty.
6. Physical installation services are required for Microsoft laptops during school year 2026-27. The District may elect to use Microsoft Autopilot services.
7. The school district must be able to print labels for warranty returns through an automated ticketing process.
8. Detailed quotes must be provided for each Windows laptop.

Chromebooks – Technical Specifications, Installation, Software, and Warranty Requirements

The District is seeking an "all-in-one price" that includes the Chromebook, 3-year depot manufacturer warranty with school year term coverage, 3-year accidental device protection with school year term coverage, shipping, and installation.

All Chromebooks must include the following elements:

The bid price must include all the required elements including the device, warranty, accidental damage coverage, shipping, and white glove deployment services. Documentation that outlines the exact ADP warranty language and/or terms and conditions must be included with the bid packet.

Failure to provide adequate documentation of all warranties referenced in this request may result in rejection of the response.

- All bidders must provide all terms and conditions for the 3-year accidental damage protection (ADP) coverage with their bid packet. The terms and conditions must outline all elements of the ADP program and include specific language that describes the number of times a device can be returned for accidental repair and what charges, if any are incurred for any repairs during the 3-year term of the warranty period. The ADP coverage must be unlimited per device.
- The accidental damage protection must include manufacturer depot repair that includes free shipping to and from the repair depot.
- The warranty must include a 6-month school term extension.
- The accidental damage protection must include repair for accidental drops, spills, bumps, LCD screen cracks, and structural failures incurred under normal operating conditions or handling, including electrical surges and damage to the integrated LCD screen. **ADP must be unlimited for the entire 3-year warranty period and include all repairs regardless of the number of times the device has been previously repaired.**
- The price must include all shipping costs.
- The price must include a 3-year warranty for the charger for issues related to manufacturing or technical failure of the charger. Vendors are not required to provide warranty coverage for accidental damage or physical damage to the charger.

- All required Google chromebook licenses required for the District to manage the device in the GSuite for Education chromebook management console must be included.
- White glove service must be included. All bidders must provide the description of the included white glove service with the bid packet.
- All bidders must provide an “all-in-one” price that includes the Chromebook, 3-year depot warranty, 3-year unlimited accidental device protection, white glove service, and shipping.
- The school district must be able to print labels for warranty returns through an automated ticketing process.

· The ADP warranty must cover cosmetic damage if it results in a functional impact, such as a cracked or deformed enclosure that interferes with port access or device usability.

· If a device is deemed non-repairable under the ADP terms, vendors must provide a comparable replacement device at no additional cost for the term of the warranty.

· The ADP warranty must be entitled or applied to the device at the time of purchase and must be visible to the District in the Lenovo Warranty Lookup on the services portal at the time devices are received by the District.

· The District must be able to independently validate the ADP warranty coverage including the 42-month school term extension on the Lenovo site.

· The vendor must include with the proposal instructions that would allow the District to bulk upload serial numbers into Lenovo's Tech Direct, Support Portal.

SMART Interactive Panels - Installation, Software, and Warranty Requirements

All vendors responding to items 4-7 must include current proof of general liability insurance and workmen's compensation insurance.

Item 4-7: SMART Interactive Panels – Technical Specifications and Installation Requirements

SMART Interactive Panels – additional specifications including but not limited to those listed below can be found at https://www.smarttech.com/en/education/products/interactive-displays/mx-series

1. SMART Board SBID-MX265-V5 series with iQ
2. SMART Board SBID-MX275-V5 series with iQ

All SMART interactive panels MUST include:

- All panels must be **ENERGY STAR®** for displays certified.
- All panels must use **fully heat tempered zero bonded glass with an anti-glare coating**.
- Integrated NFC sensor with CCID protocol supporting both the included Android and a connected Windows PC.
- User profiles on the Android-based operating system must support sign-in via NFC card, QR Code and secure link.
- Display must include integrated Bluetooth® 5.2 dual mode
- Integrated wireless module with the following minimum specifications:

  - IEEE 802.11ax (Wi-Fi 6E) supporting WEP, WPA, WPA2, PSK, WPA3, and 802.1X EAP authentication protocols.
- Support up to forty (40) simultaneous interaction points with Windows operating system.
- Support up to twenty (20) simultaneous interaction points with Mac operating system.
- Support at a minimum the simultaneous use of three (3) differentiated tools including the ability for multiple users to write with a pen, select with a finger and erase with a palm at the same time without interfering with each other.
- Onscreen inking application for use with Windows and Mac operating systems, allowing access to annotation tools outside of any presentation or whiteboarding software (i.e., SMART Ink). Application must include:
  - Support for the use of simultaneous tools and auto-input recognition when using a web-browser, Adobe PDF and presentation software.
  - Ability to write with a pen over multiple active web-browser tabs and use a finger to switch between tabs and other desktop applications without saving or discarding annotations.
  - Integration with Adobe Acrobat Reader allowing users to write in, draw in, and erase digital ink directly from PDF files.
  - Ability to write into Microsoft Office applications such as Word, PowerPoint, and Excel and save annotations in the native file format.
- Android-based OS must include at a minimum eight (8) GB of RAM and sixty-four (64) GB of storage with the ability to increase storage capacity to five hundred seventy-six (576) GB using a Secure Digital (SD) card.
- Android-based OS must include whiteboard app with the following functionality:
  - Ability to search for and add safe images and videos without leaving the whiteboard app.
  - Access to ready-made backgrounds, templates, widgets, and digital manipulatives.
  - Ability to live share the whiteboard with >40 in-room and remote participates supporting two-way annotation and interactivity via mobile devices.
  - Support the transition between teacher and scholar paced instructions during live lessons via mobile devices.
  - Support ability to natively access Lumio files.
  - Support for SMART Notebook file format.
  - Must include the ability to annotation over content and still interact with the content.
- Must include at least two (2) 20-watt integrated front-facing speakers.
- Must include at a minimum a built-in six-array microphone with support for onboard acoustic echo cancellation.
- Must include Android-based OS must be based off at a minimum Android 13 operating system and be Google EDLA certified and Google Play Protect.
- Must include Android-based OS must include multi-window support that includes connected inputs.
- Must include Android-based OS must include mobile device screenshare application with the following functionality:
  - App-based option supporting iOS, Android & Chrome OS devices with touchback support for Windows and Mac laptops.

  - App-based option must allow user to select which screen (if multiple monitors) or which app to share.
  - A browser-based screen share option.
  - Native support for AirPlay, Google Cast and Miracast.
- Connectivity inputs must include at a minimum:
  - Three (3) HDMI® 2.1 ports supporting 4K @ 60Hz with HDCP 1.4, HDCP 2.3.
  - One (1) HDMI® 2.1 port supporting 4K @ 60Hz with HDCP 1.4, HDCP 2.3 and ARC and eARC support.
  - One (1) USB Type-C ports supporting 4K @ 60Hz Display Port 1.2, USB 2.0 (UFP) for touch and digital audio, USB 3.2 Gen 1 (DFP) for peripherals; 27 W power delivery.
  - One (1) USB Type-C port supporting 4K @ 60Hz, Display Port 1.2, USB 2.0 (UFP) for touch and digital audio, USB 3.2 Gen 1 (DFP) for peripherals; 65W power delivery.
  - Five (5) USB Type-A ports – Four (4) USB 3.2 Gen 1 and one (1) USB 2.0.
  - Four (4) USB 3.2 Gen 1 Type-B (touch) ports.
- Connectivity outputs must include at a minimum:
  - One (1) HDMI® 2.1 port supporting 4K @ 60Hz with HDCP 2.3 support.
  - One (1) USB Type-C port supporting 4K @60Hz Display Port 1.4a, HDCP2.3 and HDCP 1.3, USB 3.2 Gen 1; 4.5-watt power delivery.
- Display must include an integrated wireless module with the following minimum specifications:
  - IEEE 802.11ax (Wi-Fi 6E) supporting WEP, WPA, WPA2, PSK, WPA3, and 802.1X EAP authentication protocols.

All installation, software, and warranty requirements are below. Each vendor should provide one all-inclusive price for each panel that includes all the following:

- Security mount that will hold up to twice the panel weight for wall mounted panels.
- Both Type-C and HDMI cables
- All other cables and accessories necessary to ensure that the interactive panel will be able to connect to a standard computer or laptop with the image viewable on both the computer monitor and SMART panel simultaneously.
- Any cables, hardware, or other parts needed to ensure the SMART interactive panel is 100% operational should be included in the bid price. Anything not specified in the bid price that is required to install the panel and make it 100% operational shall be provided by the vendor at no cost to the District.
- Shipping must be included.
- Enrollment in the District's SMART Panel Management portal must be done by the vendor.
- Any software or firmware updates must be done by the vendor at time of installation.
- Installation must be included in the total price bid per board. The expectations for installation include:
  - Some panels will be new installations in a classroom where there is no existing board or panel. Other panels will be replacements for existing boards or panels.
  - All existing speakers, boards, projectors, and any other components including mounting hardware, brackets, cables, boxes, etc., must be removed from the wall and placed neatly and

safely in a location in the same room designated by the school staff. No remnants of the old board or panel shall be left anchored or hung on the wall. Any plywood or other structure added to the walls of the classroom to provide additional support for the old boards should be removed unless removing it will cause damage to the underlying wall. Any old wall anchors or screws used to mount the old equipment may be left in place provided they are flush with the wall, do not pose a safety hazard, and the removal of the screw or anchor will cause substantial damage to the wall.

- Any old wall anchors or screws or wood used to mount the old equipment over existing dry erase boards or chalkboards may be left in place provided they are flush with the board, will not cause a safety hazard, and the removal of the screw or anchor will cause substantial damage to the dry erase board or chalkboard.
- Wall repair is not required. However, vendors are expected to remove old equipment with as much care as possible to cause the least amount of damage possible to the walls and/or dry erase boards in the classrooms. If, in the opinion of the JPS Facilities and Maintenance staff, proper care was not taken and excessive damage to walls is evident, vendors may be eliminated from providing future installations of replacement boards.

Warranty Requirements

All SMART panels must include a **5-year SMART Assure warranty** that ensures the vendor handles all warranty replacements including taking down the broken board, boxing it, shipping it back to SMART, and re-installing the replacement or repaired SMART board. There is to be no cost to the District for this service.

Licensing Requirements

All SMART panels **must include a SMART Remote Management license. The vendor is responsible for ensuring that all new panels are properly enrolled in the management portal**.

All SMART panels must include 5-year license for SMART Learning Suite for each new board.

Other Requirements

Equipment must be delivered to the vendor who will contact the District Instructional Technology Department to arrange installation.

The vendor will provide all serial numbers and registration and warranty information to the District within 10 business days of the completed installation. Electronic files are required in the specific spreadsheet format provided after the awarding of the BID.

Software

Must include the SMART Learning Suite licenses or including:

- SMART Notebook Desktop
- Includes SMART Lab Activity creation including games, assessments, and interactive activities

- SMART Learning Suite Online – **five-year subscription**

Item 4: SMART Board SBID-MX265-V5 series with iQ, panel only

- All-in-one price to include all elements outlined in the bid documents
- Must include WM-SBID-200 SMART Wall Mount for SMART MX series
- Must include EOW2-SBID-65-5Y 5 Year SMART Assure Warranty extension with RM for SMART Board 65" interactive displays.
- Must include SMART Remote Management
- Must include all necessary accessories for installation.
- All-in-one price must include shipping.

Item 5: SMART Board SBID-MX275-V5 series with iQ, panel only

- All-in-one price to include all elements outlined in the bid documents
- Must include WM-SBID-200 SMART Wall Mount for SMART MX series
- Must include EOW2-SBID-75-5Y 5 Year SMART Assure Warranty extension with RM for SMART Board 75" interactive displays.
- Must include SMART Remote Management
- Must include all necessary accessories for installation.
- All-in-one price must include shipping.

Item 6: SMART Board SBID-MX265-V5 series with iQ, bundled with mobile electric height adjustable stand

- All-in-one price to include all elements outlined in the bid documents
- Must include EOW2-SBID-65-5Y - 5 Year SMART Assure warranty extension with RM for SMART Board 65" interactive displays
- SMART Electric Height Adjustable Mobile Stand for SMART boards - Model FSE-510W with 5-year warranty.
- Must include SMART Remote Management
- Must include all necessary accessories for installation.
- All-in-one price must include shipping.

Item 7: SMART Board SBID-MX275-V5 series with iQ, bundled with mobile electric height adjustable stand

- All-in-one price to include all elements outlined in the bid documents
- Must include EOW2-SBID-75-5Y - 5 Year SMART Assure warranty extension with RM for SMART Board 75" interactive displays
- SMART Electric Height Adjustable Mobile Stand for SMART boards - Model FSE-510W with 5-year warranty.
- Must include SMART Remote Management
- Must include all necessary accessories for installation.
- All-in-one price must include shipping.

SMART Interactive Panel Accessories

All vendors responding to items 8-10 must include current proof of general liability insurance and workmen's compensation insurance.

Item 8: SMART Ultra HD Camera 120 – Model SWC-120UHD

- 4K Ultra-HD camera
- Must include Support operating systems Windows 11 or later, macOS 10.10, and Android 11
- Must include USB 3.0 for 4K resolution
- Must include 5 Year SMART Assure warranty extension with RM
- Must include all cables and necessary accessories for installation.
- All-in-one price must include shipping and installation.
- Additional specifications can be found at https://www.smarttech.com/business/products/accessories/video-conferencing-equipment#camera

Item 9: SMART MultiStylus with Tool Explorer (V2) - Model SMS-TE-IQ4

- MultiStylus SMART docking station
- MultiStylus Dimensions ½" x 6 ½" x 5/8"
- MultiStylus SMART docking station Dimensions 1 3/8" x 7 5/16" x 2 5/16"
- Must include Support SMART Board MX (V5) iQ4
- Must include Support operating systems Windows 11 or later, macOS 26
- Must include 5 Year SMART Assure warranty extension with RM
- Must include all cables and necessary accessories for installation.
- All-in-one price must include shipping and installation.
- Additional specifications can be found at https://www.smarttech.com/education/products/accessories/smart-multistylus

Item 10: SMART SoundLift Voice Amplification Solution - Model SND-LK

- SMART SoundLift Voice Amplification Solution with receiver, 2 microphones, and 2 charging cases
- SMART SoundLift Voice Amplification Solution Microphones Dimensions 11/4" x 11/4" x 1.2"
- SMART SoundLift Voice Amplification Solution Charging Case Dimensions 2" x 2" x 11/4"
- SMART SoundLift Voice Amplification Solution Receiver Dimensions 2 1/4" x 2 1/4" x 1"
- Must include Support SMART Board MX (V5) iQ4
- Must include 5 Year SMART Assure warranty extension with RM
- Must include all necessary cables and accessories for installation.
- All-in-one price must include shipping and installation.
- Additional specifications can be found at https://www.smarttech.com/education/products/accessories/smart-soundlift

Headphone Specifications

Item 11: DropTech Headphones with mic – 01H023E01-40 with Flex tip adapter

- DropTech w/Mic 3.5mm
- Flexi-tip adapter.
- Width 6in Height 7.2in depth 2.73 in weight 0.5lbs
- Additional specifications can be found at https://www.gumdropcases.com/collections/headphones-and-headphones-mic

Item 12: DropTech Headphones - 01H024E01-40 with Flex tip adapter

- 3.5mm audio jack
- Flexi-tip adapter
- Width 6in Height 7.2in Depth 2.73in Weight 0.5lbs
- Additional specifications can be found at https://www.gumdropcases.com/collections/headphones-and-headphones-mic

Chargers

Item 13: Dell chromebook chargers - DELL Chromebook 65-Watt Type-C AC Adapter With 1 Meter Power Cord (US) – **must be OEM**

Item 14: Lenovo Chromebook chargers - 45W Lenovo Chromebook 45W USB-C Adapter With Power Cord (US) – **must be OEM**

Item 15: HP chromebook chargers - HP 45W Chromebook Adapter with power cord (US) – **must be OEM**

Charging Cart Specifications

Item 16: Anywhere Cart – AC-GO

- Stores and charges up to 32 devices
- Includes 8 large baskets that hold 4 devices per basket
- Baskets must be varied color and the cart must be top load
- Must include smart or intelligent charging to improve charging efficiency
- Hinge doors for easy cable management
- Must ship with wheels installed
- Lifetime warranty on the cart frame
- Must include 5-year electrical component warranty
- All in one price must include shipping.
- Additional specifications can be found at https://powertechnologies.com/product/ac-go/

Charging Cart Specifications

Item 17: Anywhere Cart – AC-GO

- Stores and charges up to 32 devices
- Includes 8 large baskets that hold 4 devices per basket
- Prewired Smart Charging Cart
- Baskets must be varied color and the cart must be top load
- Must include smart or intelligent charging to improve charging efficiency
- Hinge doors for easy cable management
- Must ship with wheels installed
- Lifetime warranty on the cart frame
- Must include 5-year electrical component warranty
- All in one price must include shipping.
- Additional specifications can be found at https://powertechnologies.com/product/ac-go/

Cellphone Locker Specifications

Item 18: SC-Locker Series Cellphone Locker AC-LOCKER-24

- Stores and charges up to 24 devices 68.5”H x 35.5 x 18.5” D
- Prewired Smart Charging Locker
- Individual slots per user with access to only their device
- All-in-one price must include shipping.
- SC-LOCKER-24 24 bay charging locker with RFID Lock & Contact-less Access with EU plug
