6/10/2021	Ledoux, Maxim	Tuftonboro, NH	1. Any email sent to or from any elected official of, representative of, or employee of, SAU 49 (AKA Governor Wentworth Regional District, and including any individual school within the district) regarding certain correspondence sent to XX on June 9, 2021. The correspondence in question was sent by both Principal Guy W. Donnelly and Principal James A. Reilly to XX. Both letters were identical, including grammatical errors, but appeared on different letterhead and were signed by the different principals. Principal Reilly's letter also included an added sentence referring specifically to XX child, but other than that this is obviously a form letter that neither principal actually wrote, despite signing his name to it. 2. Include any attachment, in any format (including but not limited to PDF, Word Document, any image file, etc), to any email identified in #1. 3. Any draft document of the correspondence identified in #1, including any versions that were not emailed to or from any elected official of, representative of, or employee of, SAU 49 (AKA Governor Wentworth Regional District, and including any individual school within the district), or sent to XX. 4. Include any meta data such as "track changes" in Microsoft Word or any other word processor (Apple's Pages, etc.) preserved in the documents identified in #3. 5. Any version of the correspondence identified in #1 that was sent to any other parent or student's legal guardian, even if in a slightly different version such as because there are added sentences or paragraphs dealing with specific students.	06/28/21 08/06/21 08/12/21	8/6/2021 08/12/2021	Emailed to requestor
