

Dear Parents/Guardians of incoming Pre-K and Kindergarten students,

Welcome to Lawson! We're excited to support your student's journey of discovery and success this year. The school is participating in the Kansas Kindergarten Readiness Snapshot to best prepare for their success and to better understand each child's needs. This initiative uses the Ages and Stages Questionnaires (ASQ) to provide valuable insights into a child's development.

The ASQ consists of two questionnaires that provide insights into a child's development in different areas, such as: communication, problem solving, social emotional development, and so much more.

Parental participation in completing the ASQ is crucial, as parents know their children best. This questionnaire is a requirement from KSDE for all students entering Pre-K and Kindergarten. The information gathered will help guide instruction and support staff in meeting the individual learning needs of every child. Please complete these 2 questionnaires as part of the enrollment process..

\*\*\*\*\*Please use the following link to complete both the ASQ-3 and ASQ:SE-2 for your student.

Type this link into a web browser- <https://www.asqonline.com/family/e72613>

The screen below will appear on the webpage. Please click on the first line that says:  
**I am completing both the ASQ-3 and ASQ:SE-2 questionnaires.**
