VIII. Recognition/Presentation

Beaver County Academic Games League

Tonight, we are proud to recognize a group of students who have demonstrated exceptional academic talent, dedication, and perseverance through their participation in the Beaver County Academic Games League.

The Academic Games challenge students to think critically, apply advanced problem-solving skills, and compete at a high level against peers from across the region. Success in this league requires not only strong academic ability but also focus, teamwork, and determination.

First, we would like to recognize our students who earned **one qualifying score** at local tournaments. Achieving a qualifying score is a significant accomplishment and reflects a high level of academic excellence. We congratulate these students for their hard work and commitment.

Additionally, we had seven students who received two qualifying scores and **competed at the national level**, representing our school and community with pride. Competing at Nationals is an extraordinary experience that requires not only academic skill but also confidence, resilience, and a willingness to challenge oneself among the best students in the country. We are incredibly proud of their efforts and the way they represented us.

Math 24 Competition

We are proud to recognize our students who participated in the Beaver County Math 24 Competition. This is an event that challenges students to think quickly, apply mental math strategies, and demonstrate strong number sense under pressure. Competitors must use all four numbers on a card to make 24 using any combination of operations, requiring both accuracy and speed.

We are especially excited to share that two of our 8th-grade students advanced to the **semi-final round**, an impressive accomplishment given the high level of competition from across the county. Their success reflects not only strong mathematical ability but also perseverance, focus, and confidence in problem-solving.

We congratulate these students on their outstanding achievement and for representing our school so well. Congratulations to **Jayda Palmer** and **Adam Dunn**!

Technology Purchase Presentation – Kristen Ferguson

IX. Public Comment (Regarding Agenda Items Only)

At this time, DISTRICT RESIDENTS may come forward to comment on agenda items only. Each person must state their first and last name and address prior to speaking. Each resident will be allowed three minutes and can speak only once. This period for public comment prior to the standing committee reports will be limited to one-half hour. Although not required, board members desiring to address questions or concerns may do so after the residents' comments/questions or at the conclusion of the committee reports. There will still be an opportunity for residents to comment on any business relevant to the Ambridge Area School District under Old and New Business at the end of the meeting.

Fabiola Gergerich, Harmony Twp., PA

- Appreciated the presentation and thanked the presenters for their work.
- Expressed opposition to the use of technology for students in grades K–3.
- Stated that schools should not encourage increased technology use among young students.
- Emphasized the importance of students developing critical thinking and problem-solving skills by using their own minds rather than relying on devices.
- Noted that some school districts are reducing or eliminating the use of Chromebooks for younger students.
- Commented that, as a taxpayer, resources should be directed toward approaches that encourage students to use their brains rather than depend on Chromebooks.

Dr. Pasquerilla

- Responded that technology is not intended to replace teaching staff or classroom instruction.
- Emphasized that the district provides strong, high-quality instruction led by teachers.
- Stated that, given the technology-driven world students live in, the district does not want to limit students' exposure to appropriate technology tools.
- Clarified that technology is used as a tool to support learning, not as a substitute for teachers.
- Noted that technology alone would not be an effective educational approach and that teacher-led instruction remains essential.

X. LEGISLATIVE ACTION FOR THIS MEETING**Finance and Budget**

Mr. Kovacevic

1. Final Budget for the 2026-2027 School Year

It is recommended to approve Resolution 2026-2027-01 adopting the Final General Operating Fund Budget for the 2026-2027 Fiscal Year in the amount of \$66,668,042.00.
