- 1. Please clarify how many copies of the SOQ the District would like us to submit. The RFQ has differing information throughout. Would the District like three or five hard copies?**
 - a. Please mail or deliver five (5) bound copies and one (1) electronic copy.
- 2. Do covers, tabs, and table of contents count towards the 50-page max?**
 - a. Covers, Tabs, and Table of Contents do not count.
- 3. The fee schedule calls for a proposal by phase, does the District want our scale and hourly rates, or will the District be providing additional scope?**
 - a. Please provide scale and hourly rates.
- 4. We were accepted into the pool of architects for the Lodi USD in 2024. We now have the RFQ #2026-1 for a pool of architects that is due 7/8. I wanted to check to see if we should submit on this RFQ or since we are already in the pool, that is not required at this time.**
 - a. Architects approved in the 2024 pool do not need to submit SOQ. Architects that wish to stay in the District pool are required to recertify by submitting the following: verify current licensing, updated scale and hourly rates, recent project experience, references, and professional standing. Please submit recertification via e-mail to Amberly Kidder akidder@lodiUSD.net and Desiree Wise dwise@lodiUSD.net.
