

Welcome to ParentSquare!

ParentSquare makes it easy for families to stay connected with their child's school.

- Receive school, teacher, coach, and district messages
- Choose how and when to get notifications
- Receive and send messages in your preferred language
- View calendars, events, and sign-ups
- Message teachers and staff privately

Get started: Register for ParentSquare

Visit parentsquare.com/signin and register with the email address or phone number that is on file with your child's school

Download the ParentSquare App

Download the ParentSquare app to access school and district communications on the go

Choose Your Preferred Language

In a web browser:

- Click name (top right) » Manage Account
- Click Language Settings
- Select Language » Click Save

In the ParentSquare app:

- Tap the three horizontal lines (top left)
- Tap Account » Preferences
- Tap Language Settings
- Select Language » Tap Save

Set Notification Preferences

You can change your email, text, and/or app notifications to be delivered when they are sent (Instant), delivered as a daily message summary at 6 PM (Digest), or turned off (not recommended).

To change your notification preferences:

In a web browser:

- Click name (top right) » Manage Account
- Click Notification Settings
- Select your preferences

In the ParentSquare app:

- Tap the three horizontal lines (top left)
- Tap Account » Notifications
- Select your preferences

Urgent alerts are always sent instantly and cannot be turned off.
