

Westborough High School

ROOF REPLACEMENT & RIM REPAIR PROJECT

SUMMER 2026

This summer, Westborough High School is undergoing critical roof improvements to Wings A and B — protecting our school, our students, and your tax dollars. Here's everything you need to know.

What's Being Done?

Full Roof Replacement

Wings A and B have reached end of lifespan and are being completely replaced.

Roof Rim Repairs

Structural and preventative repairs to ensure proper drainage, sealing, and integrity.

Construction Schedule

Day	Start	End
Mon – Fri	7:00 AM	6:00 PM
Saturday	8:00 AM	6:00 PM
Sunday	8:00 AM	3:30 PM

Start Date: June 24, 2026. Weekend work only occurs if rain delays weekday progress.

 **Access Alert:** The **West Main Street entrance is CLOSED** for the duration of construction. All traffic must use the **Ruggles Street entrance only**. Please allow extra travel time.

West Main St.

CLOSED to all public traffic

Ruggles Street

OPEN — use this entrance

Work Zones

Watch for heavy equipment near campus

Why This Project Matters

Risks of Waiting

Water Damage

Aging roofs lead to interior leaks that destroy ceilings, walls, insulation, and classroom technology.

Structural Compromise

Persistent leaks rot structural decking, requiring far more invasive and expensive reconstruction later.

Disrupted Learning

Active leaks force emergency classroom closures, student displacement, and operational chaos.

Benefits to Taxpayers

Protects Property Value

Well-maintained civic infrastructure supports overall property values across Westborough.

Saves Money

Proactive replacement is far cheaper than emergency mold remediation, timber repairs, and rushed contracting.

Lowers Energy Costs

A modern roof improves the building's thermal envelope, reducing long-term heating and cooling costs.
