Masters Stipend: \$1,500.00

Doctorate Stipend: \$1,500.00

Effective July 1, 2007, the salary will be increased 3% for every six (6) units of continuing education completed every three (3) years, applied a maximum of five (5) times.

Effective July 1, 2016, employees hired after July 1, 2016, must complete three (3) years of service and be at the last step afforded on their contract to be eligible for continuing education increases.

Effective July 1, 2022, employees who have completed three (3) years of service after completion of Step 5 on their contract may be awarded an automatic 3% longevity increase. Employees who have received continuing education increases will not be eligible for a longevity increase until three (3) years after their last continuing education increase. Either continuing education increases, longevity increases or a combination of the two, will be applied a maximum of five (5) times.

CE = Certificated; CL = Classified
