<p>Other:</p> <p>Some of our scholars do not participate because they know they have to purchase an ASB Card. TAF @ Saghalie can try to use other modes of communication like our weekly bulletin to get the word out about the association of free and reduced lunch and qualifying for a free ASB card.</p>	
<p>4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.</p> <p>TAF @ Saghalie plans to target communication to scholars that may need assistance with sign up and requirements for participation through newsletters, morning announcements, and pre-season sports meetings with families. These announcements will also inform scholars that may have financial needs, and communicate the association between free and reduced lunch being associated with a free ASB card. These communications will be sent to parents also using Parent Square and Final Forms. We will communicate with families about the ASB processes during our back to school night at our Athletics table.</p>
