

EMPOWERING EVERY LEARNER!

OUR MISSION

To **accelerate** the success of historically underperforming Fresno Unified students by creating an environment that supports achievement in school and beyond.

LITERACY

We provide targeted, skill-based small-group literacy intervention **during the school day**, aligned to grade-level standards and focused on building strong foundational reading skills.

Strategic Partners Include:

- Waterford Reading Academy
- Literacy Intervention Coaches

COLLEGE & CAREER READINESS

We prepare students for success beyond the classroom through academic support, mentorship, and advanced learning opportunities across all 7th–12th grade sites.

Key Strategies

- **Mentorship & Advising** – Academic and behavioral support.
- **College Prep** – Dual enrollment, writing, and leadership experiences.
- **STEM Enrichment** – Hands-on learning in math, coding, and robotics.
- **Student Leadership** – Empowering student voice and advocacy.

MENTORING

The Mentoring Office partners with schools and the community to support students through mentorship, academic guidance, and social-emotional development, helping them succeed in school and in life.

Core Components

- **Men's and Women's Alliance classes (7th-12th grade sites)** – An elective course supporting academic, social-emotional, and leadership growth with work experience opportunities.
- **Peer Mentoring** – An afterschool program pairing high school mentors with younger students to provide academic support and build connection and confidence.
- **Group Mentoring (5th-8th grade)** – Young Men of Character and Girl Power groups that build connection, confidence, and leadership skills.
