TO: BOARD OF EDUCATION

FROM: SUPERINTENDENT

DATE: JUNE 23, 2026

SUBJECT: APPROVAL OF THE 2025–26 PROPOSITION 28: ARTS AND MUSIC IN SCHOOLS FUNDING ANNUAL REPORT

ACTION

ISSUE: The Board of Education is asked to approve the 2025–26 Proposition 28: Arts and Music in Schools Funding Annual Report.

BACKGROUND: California Education Code section 8820(g)(4) requires each local educational agency receiving Proposition 28 Arts and Music in Schools funding to prepare an annual report that is approved by its governing board. The report must describe the arts education programs funded and identify the number of full-time equivalent certificated teachers, classified personnel and teaching aides funded through the program, as well as the number of students and school sites served. Following Board approval, the report must be submitted to the California Department of Education and posted on the District's website. Attached is the state-mandated report. The attached report has been prepared using the annual reporting format established by the California Department of Education and contains the information specifically required by Education Code section 8820(g)(4).

This item is presented as a compliance requirement. The brevity of the attached report reflects the limited and specific information required by statute and the state reporting format. It is not intended to serve as a comprehensive evaluation of the District's arts education programs. Approval of the report does not establish a new program, amend the District's budget, or authorize additional expenditures.

Following Board approval, the Associate Superintendent, Chief Business Officer, will complete the required state submission and ensure that the approved report is posted on the District's website.

ALTERNATIVES: (1) Approve the Proposition 28 Annual Report.

(2) Do not approve the Proposition 28 Annual Report.

RECOMMENDATION: Staff recommends Alternative 1.

Respectfully submitted,
Daniel Stepenosky, Ed. D.
Superintendent
