

RSL Level 3 Subsidiary Diploma for Music Practitioner Summer Projects

Task 1

- Prepare a solo performance on your first instrument.
- Your performance should last a minimum of 2 minutes.
- You should play to a backing track (unless a solo piano performance).
- This is an opportunity to 'show off' your skill on your instrument and showcase your musical taste/style and talent.
- You will perform this to the class in September.

Task 2

Present (written or presentation) a musical analysis of your chosen solo piece:

- Why did you choose this?
- What skills/demands does this piece ask of you?
- Highlight key musical features of your piece (use MAD TSHIRT™)

Task 3

Research 5 potential careers within the music industry, commenting on:

- Skills and/or experience required for the role
- Job availability...many jobs out there? Where do you go for jobs?
- Routes into the job sector
