

Online Safety Resources

The links below collect helpful guides for being safe online and information on setting up parental controls. Please click on any of the blue text to access resources.

General Resources and information

The sites below give general information and tools for online safety.

[parental control screen time App](#) (free with some paid features)

[Childnet International](#) (Online Safety practical instructions for parents)

[UK Safer Internet Centre](#) - Safety tools on social networks/online service

Streaming

More screen time may mean more streaming. It is important to be aware that streaming services in the UK follow UK Age Ratings.

[Netflix Parent User guide](#) [Disney+ Parental Controls](#) [Amazon Prime Video Parental Controls](#)

Some students may also watch things on [YouTube](#) or [Twitch](#). These often don't have age ratings so it's important to be aware of both these sites and their content and guidance for parents and carers.

Phone and Tablet Parental Controls

All major phone and device / operating systems have great family and parental controls.

Apple iPhone and iPad: [Apple parental controls](#)

Google Android: [Google Parental Control](#)

Samsung Parental Controls: [Samsung Parental Controls](#)

Microsoft: [Microsoft Parental Controls](#)

Gaming

All game consoles have parental and family controls.

[Sony PlayStation](#) [Microsoft Xbox](#) [Nintendo Switch](#) [Roblox](#)

All films, TV, gaming and apps should have age ratings. These are a quick way to find out if content is suitable for your young person.

Social Media - 13+ Age

All Social Media Companies have safety tools.

Social media accounts are for **ages 13+**.

Students are encouraged to Tell, Report and Block when necessary.

Instagram has recently developed a new Supervision tool for Parents.
