Facility Review Update

Haysville USD 261

Board of Education (BOE)

The BOE approved the expenditure of up to $25,000 to have a company come and review/evaluate our current conditions. The scope of this evaluation includes all USD 261 facilities and structures with an emphasis on roofs and parking lots. This money will come out of Capital Outlay.

First Step

- Developed an RFP by utilizing BJ Knudson and Area Districts
- RFP was initially posted on our website on February 9, 2024
- Response Due Date March 1, 2024

Committee Work

- Greg Fenster (BOE Rep)
- BJ Knudson
- Freddy Robinson
- Jeff Hersh
- Craig Ryan

Process

1. Review Responses/Bids
2. Collaborate on Best Fit for the Job
3. Decide on a company to do the initial evaluation

Hutton Construction was the consensus to evaluate our facilities

Next Steps:

- We have been in contact with Hutton
- Hutton will complete the process no later than June 1, 2024
- Facility Committee will report to the BOE on June 17th
- District will collaborate with all Stakeholders at the Community Retreat in July

Committee Report Will Include Three Options

1. Do nothing
2. Use Capital Outlay and plan the maintenance over the next several years.
3. Explore a Bond Issue
