

Virginia SUN Bucks Returns This Year!

Virginia SUN Bucks provides a one-time, \$120 nutrition benefit for eligible children during the summer months.

Does your child receive free school meals?

Some schools provide free meals to **all students** through the Community Eligibility Provision (CEP). If your child attends: Burlington Elementary, Glen Cove Elementary, Herman L. Horn Elementary, Masons Cove Elementary, Mount Pleasant Elementary, Mountain View Elementary, Northside High, Northside Middle, W.E. Cundiff Elementary or William Byrd Middle schools, they are **not automatically enrolled** in Virginia SUN Bucks — but they may still qualify.

Your child is automatically enrolled if:

Your household receives SNAP, TANF, or income-based Medicaid — regardless of the school your child attends.
