OXFORD AREA SCHOOL DISTRICT

A. Suspension and expulsion are serious actions. It shall be the policy of the Oxford Area School District to guide, lead, direct, and otherwise work with students and their parents in many ways to help them display that behavior and assume those responsibilities, which will allow them and others to take maximum advantage of the opportunities provided by the school district.

B. Expulsion is an especially serious action and will be considered by the board upon recommendation of the Superintendent of Schools.

Recommendations shall be supported by an annotated and documented log of the attempts to assist the student to live within the policies of the board and the rules of the school.
