OXFORD AREA SCHOOL DISTRICT

A. Students are not permitted to possess or use any tobacco and/or related product or paraphernalia while on school property, (including in student vehicles) while being transported to and from school or while attending any school-related activity.

B. School personnel may confiscate any tobacco and/or related product or related paraphernalia students may possess while on school property, (including in student vehicles) while being transported to and from school or while attending any school-related activity.

C. School principals shall develop similar procedures and rules for use at appropriate levels of the schools to enforce this policy.
