OXFORD AREA SCHOOL DISTRICT

The schools are expected to operate as scheduled and every effort shall be made to accomplish this goal. However, if an emergency situation should occur, it shall be the policy of the Oxford Area School District that everything possible shall be done to insure the safety and welfare of students and personnel and to attempt to keep educational programs operating effectively.

In the event that it should become necessary that the Superintendent of Schools close the schools due to an emergency, every attempt shall be made to duly inform parents, students and staff of the emergency closing.

The Superintendent of Schools shall develop procedures for carrying out the emergency closing of schools.
