POLICY TOPIC DESCRIPTION

Gifted and Talented Education Program/Advance Coursework Policy

POLICY STATEMENT

The South Hancock Elementary School Based Council adopts the Hancock County Board of Education Policy number 8.132 on Gifted and Talented Education as the school policy. This policy includes the recruitment and assignment of students to advanced coursework options and/or participation in academically challenging curriculum. Parents, Guardians, and students will be notified of the:

- Long-term benefits of student participation in advanced coursework
- Advanced coursework opportunities made available at the school in the areas of mathematics, reading, science, and ELA for students in grades 4-5 identified as Gifted and Talented; Opportunities will also be made available in the same areas for students identified for the Primary Talent Pool K-2.

Date Adopted: October 15, 1996	Date Amended: December 3, 2013 Nov. 17, 2025
