REVISED: 6/19/12

OXFORD AREA SCHOOL DISTRICT

This policy ensures that parents have an opportunity to review instructional materials and have access to information about the curriculum, including expected student learning outcomes, instructional materials, and assessment techniques.

The rights granted by this policy are granted to parents of students enrolled in this school district where the students are under the age of eighteen (18) and to the students themselves when the student is age eighteen (18) or over, unless the student is incapable of making the decision due to a disability qualifying student under this policy.

Upon request by a parent or adult student, the district will make available existing information about the curriculum; expected student learning outcomes, instructional materials and assessment techniques.

The Superintendent or designee shall annually notify parents and students regarding the contents of this policy and their rights.

The Superintendent or designee shall develop procedures regarding parents and or students access to the curriculum.
